Postgraduate Student Handbook

Postgraduate Student Handbook (2023/24)

The Postgraduate Student Handbook is intended to provide information for postgraduate students at Peterhouse: how the tutorial system works, what you need to know about living in College accommodation and the arrangements for the start and end of tenancy. It also includes information on College catering, administration and billing procedures.

The Handbook also contains specific information for those students living in College accommodation, including details of the terms and conditions, which apply to College accommodation and which will, in conjunction with the room licence, govern the occupancy as licensee of all Junior Members.

The handbook must be read in conjunction with the booklet of College Regulations (CR), issued by the Senior Tutor, as well as the notices circulated and/or posted by other College Officers. Further useful information can be found on the College website, the MCR website, and on the Cambridge students' website - <http://www.cambridgestudents.cam.ac.uk>.

This handbook may be updated from time to time during the academic year. The website will always show the most up-to-date version - <http://www.pet.cam.ac.uk>.

Peterhouse is committed to managing its Junior Member accommodation in accordance with the relevant provisions of the *ANUK/Unipol Code of Standards for Larger Residential Developments*. This code establishes a set of management standards for all residential developments managed and controlled by educational establishments and specifies appropriate controls to ensure that the particular needs of students are delivered effectively. The code covers: the allocation of accommodation; information provided prior to the start of the licence agreement; arrangements during the tenancy (including rights and notification of access, repairs and maintenance obligations, provision of information on cleaning, furniture and other facilities, mail delivery, and health and safety matters); and end of tenancy arrangements. This handbook seeks to provide most of this information in one document so that it is readily accessible to all students in Peterhouse accommodation. You can use the following link to download the code of standards if you wish to see further details:

Section 1: The Tutorial System (Postgraduates)

Tutorial Support

All postgraduate students in Peterhouse are assigned a Tutor. Despite the name, the primary role of a Tutor is not to teach you, but to give advice about academic, social, financial or personal problems that may impact on your studies. The two Postgraduate Tutors are Dr Christopher Lester (for science students) and Dr Sophie Lunn-Rockliffe (for arts students). If, at any time, a postgraduate student would prefer to see a female Tutor, they should contact the Senior Tutor.

Your Tutor will make arrangements to meet you early in your course. You should get to know your Tutor, and keep them in touch with your progress, even if things are going well. It is much easier to act quickly when a problem arises if you are already in regular contact with your Tutor. Both Tutors will have regular advertised times when you can come to see them in their rooms.

Your Tutor is also a source of general advice and support on academic matters. They are always happy to listen to your experiences of studying and research, to offer advice, where appropriate, and to introduce you to academic staff and students in College with similar interests.

Your Tutor can liaise with academic supervisors and departments/faculties, particularly if you are experiencing difficulties. If you are puzzled or concerned by what a report says, it may be helpful to discuss it in the first instance with your Tutor. In the rare cases, when things go wrong, (if, for example, your relationship with your supervisor becomes difficult or unproductive, or if you need to make a formal complaint or appeal against a University Department) your Tutor may have an important role as advocate, and can advise you about the formal procedures.

If you need to suspend your studies because of illness, or other forms of unavoidable disruption, your Tutor can help you ensure that your application is presented properly to the relevant University bodies.

Your Tutor will also be available to write references for various applications you may make, for funding or employment (though you should remember that in many cases an academic supervisor with detailed knowledge of your work will be able to provide a much stronger reference).

The Tutors for Graduate Affairs have overall responsibility for the whole community of postgraduate students. Tutors meet regularly within College, and postgraduate Tutors meet their counterparts in other Colleges along with senior University officers, representatives of the administration, the Graduate Union and the Colleges' Postgraduate Administrators. This means they can all share information to ensure a co-ordinated and effective response to issues affecting postgraduate students.

Financial Support

Peterhouse is able to offer study awards to help with the cost of such things as research trips to laboratories and archives, conference-attendance and other research expenses. You can find out more about application for study grants at <https://www.pet.cam.ac.uk/graduate-grants>.

Your Tutor will try to assist you in cases of financial difficulty, both exploring the availability of the College's resources, and directing you to the services available to postgraduate students in the University and beyond.

Academic Community

The focus of most of your academic study will be your faculty or department, and you should not expect formal teaching or organisation of essential supervision on your research project to be provided by the College. However, Peterhouse has a very important role in providing a broader kind of academic contact and community, by putting you in touch with other postgraduate students working in other fields. Having to explain your ideas, or the importance of your research, to somebody who does not share your expertise, is excellent training for your future, and the best way for you to test whether you really understand something.

Peterhouse has the advantage of being relatively small, which makes it easy for students to get to know other students and Fellows of the College, at various points during the day, in term and during vacations. Sharing a meal, a drink or a common room allows postgraduates, undergraduates and Fellows with a wide variety of academic interests and cultural origins to come together, stimulating the cross-fertilisation of ideas.

One of the most important and enjoyable ways in which Peterhouse builds academic community is through the annual Postgraduate Symposium, which is organised jointly by the MCR and the Tutors for Postgraduate Affairs. The Postgraduate Symposium gives MPhil and PhD students the opportunity to give presentations on their work to an intelligent, interested, but not necessarily expert, audience of their peers and College Fellows. Peterhouse can also provide opportunities for you to organise and participate in informal seminars and reading groups, to allow you to develop your thinking and reasoning skills in broader ways than those required for the work you are doing for your degree. It provides training and support in academic writing and other general skills. You will also have the opportunity to run societies, and to meet and converse with alumni of the College or other College guests.

Peterhouse may also provide opportunities for postgraduate students to gain experience in supervision and small-group teaching.

Library

One of the great advantages of studying in Cambridge is the diversity of its libraries and information sources. Peterhouse students have access to the College library, which is an important accessory to the more specialised resources available in University and department/faculty libraries, and a quiet and comfortable place to work.

Recreational and Sporting Facilities

Peterhouse provides a large range of clubs, facilities and events, many of them run by students. Full and up-to-date details of these can be found on the [website](#).

Prevent

The College's PREVENT strategy aims to safeguard individuals from extremism and radicalisation. The relevant information can be found on the College [website](#).

Health and Welfare

Students often need extra support during their time at Peterhouse, and there are several people in College happy to help. In addition to your Tutor with whom you can discuss practical, academic, financial or other general welfare issues, at Peterhouse we are fortunate to have a dedicated welfare team.

Members include the College Nurse and Wellbeing Advisor (Natasha Kear), the Mental Health Advisor (Leanne Freear), and the Welfare Officer/Assistant Chaplain (Jennifer Adams-

Massmann). We are happy to speak privately about any issues affecting you (e.g., academic stress; emotional, family or relationship issues; mental health issues; disability; sexual harassment; bereavement, addiction, etc.). We can provide a sympathetic, listening ear as well as offering advice or signposting to other resources, depending on what you need.

If you are unsure whom to speak with first, please contact the Welfare Officer or Nurse. A full list of current contacts is available on the [website](#) as well as links to book appointments quickly with members of the team. Please don't hesitate to reach out – we are here to help you.

Student Governance

The JCR and MCR President are informed in advance, at regular meetings with the Senior Tutor and Tutor for Postgraduates respectively, of the business to be transacted at the College's Governing Body. These meetings are also opportunities for informal consultation between College Officers and the student representatives on any matter of concern within the College community

If there is any item of Governing Body business in which the JCR or MCR President believes the student body has an interest, they may request that a meeting of the College's Coordinating Committee be held, before the business is taken to the Governing Body. College Officers may also request that a meeting of the Coordinating Committee be held, if they have business which calls for formal consultation with the student body (e.g. over student rents and charges). The Coordinating Committee is chaired by a Fellow appointed by the Governing Body, and its membership includes the Senior Tutor, the Bursar, the Steward, and the Presidents and Secretaries of the JCR and MCR.

The Coordinating Committee reports on its deliberations to the Governing Body. Its student members may request to address the Governing Body at the meeting where the minutes of the Coordinating Committee are discussed.

Discipline

The Tutor of Discipline is Dr Graham Christie. All Junior Members are required to behave in accordance with the College's Statutes and Ordinances. Potential breaches of the Rules of Behaviour are investigated by the Tutor of Discipline and, where appropriate, he will also determine any post-investigative actions that may be imposed on students.

Communicable Diseases

All students are expected to be aware of and comply with the College's guidance in a pandemic, which would be found on the College's intranet, which can be accessed from the main [website](#).

Further information is also available on the [University website](#).

Section 2: Accommodation

All accommodation offers are made through the Accommodation Booking System accessed via: <https://pet.optime.cloud/#>

New students express their accommodation preferences, accept their booking, pay their caution money, and have their licence generated, through this system.

Accommodation Provision and Allocation

The College is normally able to accommodate most single postgraduates requesting College accommodation for at least the first three years of their studies. Students in their fourth year of PhD studies may be able to remain in College accommodation, but this cannot be guaranteed. Postgraduate students will not normally be able to remain in College accommodation for more than four years other than in exceptional circumstances and only with the prior written agreement of a Postgraduate Tutor. This principle will be applied to students on all courses, including part-time courses of study.

Due to the historic nature of many of the College's buildings, accommodation for Junior Members with partners and/or children is limited.

The allocation of rooms is handled by the Domestic Services Manager and Accommodation Officer and takes place in the August and September preceding the start of the academic year in question.

During the Easter Term the Tutorial Office contacts current postgraduates to ask for their accommodation requirements for the new academic year. Any continuing student wishing to change rooms should contact the Accommodation Office to discuss their preferred location as early as possible in the Easter Term and before rooms are allocated to new postgraduates. Unless hearing to the contrary, it will be assumed that students wish to remain in their current room.

During June/July, new postgraduates are sent information providing details of College accommodation and an online preference form to indicate preferred type and location. Accommodation is allocated to new postgraduates from the beginning of August once the University deadline for meeting offer conditions has passed. Generally, room licences are not issued until the offer is unconditional.

Changing rooms mid-year is discouraged, unless there is a particular reason for moving accommodation, because of the additional burden it places on the College's housekeeping and administration processes.

The College reserves the right to require the occupier to move to similar accommodation at any time at the College's absolute discretion.

Licence Periods

Postgraduate rooms/flats allocated to new students are on a licence covering the period 1st October – 1st September. Continuing student licences run from 1st September – 1st September. Licences can be terminated at any point in the year, provided that **1 month's notice** is given in writing. Rent for part months of occupation will be pro-rated from the full monthly rent and students will be advised of the amount to pay when their notice is accepted; all charges will show on Booker accounts.

Students will be deemed to have accepted the Terms and Conditions of their Licence when they accept their offer of accommodation on Booker and take possession of the keys to the room listed on the Licence.

Charges for Accommodation

Accommodation, catering and other charges, are reviewed each year by the College's Finance Committee, in consultation with the Co-ordinating Committee, which includes both postgraduate and undergraduate representatives. The Finance Committee recommendations are finally approved by the Governing Body. It is intended that these charges should remain in force for a full academic year before being reviewed again, but Junior Members should be aware that, in exceptional circumstances, interim increases or surcharges may be necessary. The College is not seeking to make a profit from Junior Members, and believes that its charges are, and should remain, highly competitive when compared to rents at other Colleges.

Rents are fixed taking into account the size and location of the room, and other facilities and features. Rents for rooms on Parkside and Warkworth Street are set at a discount to those in or close to the main College site.

Postgraduate Rents

Postgraduate rents are **due in advance** on the first day of each month and should be paid by Standing Order, unless explicitly agreed otherwise. Failure to pay rent will be followed up through referral to the Tutorial Office and may result in a licence being rescinded.

Rents include electricity, central heating, water rates, and computer connection charges, where network connection is provided. The flats at 35 and 36 Parkside do not have a network connection provided by the College. Insurance is also included in rents:

Peterhouse is working with Endsleigh, student insurance, to protect the contents inside your room. You don't need to do anything to activate this cover, but it is important for you to check and ensure that you fully understand the protection provided and whether it is sufficient for your needs.

The policy number is: HH 1714

Where the occupier consists of more than one person, the responsibilities of occupancy shall be joint and several. Junior Members should note that a partner who is not a student may trigger a liability for council tax. Under no circumstances will the College pay council tax on behalf of any occupier.

Caution Money

Postgraduates are required to make a caution payment of £250 in order to secure their accommodation. This is refundable at the end of their stay provided all the rent due has been paid and no charges have been incurred for damage/additional cleaning. Keys will not be issued until the caution money has been received.

Interest will not be paid on these sums while they are held by the College.

Council Tax Liability

Postgraduates living in shared houses and flats are automatically exempt from paying Council Tax as the properties are registered as student hostels. All postgraduates living in private accommodation are responsible for completing a Council Tax Exemption Application form to obtain exemption from paying Council Tax. You will also be required to send a student status letter to prove your status as a student – these letters are obtained on request from the Tutorial Office. If you have a partner or spouse living with you, who is not a student, there may still be a liability to pay Council Tax. For further information on who is required to pay Council Tax see: <https://www.cambridge.gov.uk/council-tax-reduction>.

Section 3: Accommodation Facilities

Furniture and Fittings

The Head Housekeeper is responsible for the furniture and fittings provided within the College's accommodation and any queries in regard to furnishings should be directed to her. All College bedrooms, where space allows, are furnished with a single bed and mattress, bedside table, desk, desk chair, reading lamp, waste bin, recycle bin, bookcase, armchair, wardrobe, and chest-of-drawers. Please note that the College does not remove items of furniture from rooms as there is no storage available; likewise, additional items are not provided for rooms. For individual room inventories, please check Booker.

The College does not provide pillows, bed linen, duvets or blankets, or crockery/cutlery for personal use.

No large or bulky items of furniture, including pianos, may be brought into College accommodation without permission; application should be made ***in advance*** to the Head Housekeeper. Junior Members will be required to remove any unauthorised furniture. Furniture must not be removed from rooms and placed on landings or elsewhere in the common parts, or transferred to other rooms. Misuse of these spaces may result in these areas being locked off. The College aims to maintain the decoration and furnishings of its accommodation to a high standard, with rooms regularly inspected and refurbished.

The occupants of all College rooms will be held personally responsible for any damage caused to the decoration and furnishings of their rooms, making allowance for reasonable wear and tear. The use of pins, blu-tack, sticky tape, command strips (and similar fixatives) to attach articles to the walls, furniture, or windows is strictly forbidden and will be removed if found in room visits. Those who mark walls in this way risk incurring a substantial charge for the redecoration of the entire wall(s). Junior Members should contact fixit@pet.cam.ac.uk to have hooks fixed onto walls if they wish to hang pictures and posters where there is no picture rail. Students wishing to put up photos or pictures, should use 'Magic Whiteboards' as these fix to the walls with static and can be removed without marks. Similarly, damage to carpets caused by burns or spillage is likely to result in the occupant being charged the cost of re-carpeting the room.

Occupants will also be charged the actual cost of clearing any blocked sink or WC for which they are responsible. Charges may be levied against all occupants of a house where the culprit(s) are not readily identifiable.

College Network

All College rooms, and most flats have an Internet connection, either through the College's own network on the main College site or via a commercial broadband connection in the outlying hostels. Use and maintenance of a computer connected via the College network is at the Junior Member's own risk and carries a responsibility to observe the relevant College and University rules and regulations. Further information can be found on the College website (<http://www.pet.cam.ac.uk/computing>).

The flats at 35 and 36 Parkside do not have an internet connection provided by the College.

All computing and network related issues should be reported to helpdesk@pet.cam.ac.uk.

Televisions

Junior Members are required, by law, to hold their own valid television licences for any television receiver brought into College accommodation, including the use of computers to

watch broadcast programmes. TV licensing authorities make checks on a regular basis and Junior Members are personally liable for any fines imposed. Further information may be obtained from www.tv-l.co.uk. No aerials or similar devices may be installed outside rooms.

Kitchen Facilities

The College kitchens offer a comprehensive catering service during term-time for Junior Members and postgraduates are encouraged to eat in College. However, postgraduate accommodation is equipped with full kitchen facilities, either self-contained or in communal areas. Frying pans must be used responsibly and surfaces wiped down of any spillages; the use of non-stick sprays rather than oil significantly reduces fire risk. Some hobs are induction hobs and need specific pans.

When preparing meals and drinks, Junior Members should be considerate to others in the hostel and clean up promptly after themselves. In particular, it is not permitted to prepare hot meals between the hours of midnight and 6am. If a Junior Member acts in breach of this rule, and causes a fire alarm as a consequence, a charge of £50 will be added to their College Bill.

Students should note that electrical cooking items are not allowed in student rooms; this includes (not exhaustively) kettles, toasters, rice cookers, and sandwich makers. Cooking items are provided by the College for use in communal gyms/kitchens only.

Operating instructions for the equipment provided are displayed in the individual kitchens. Further copies are available from the Maintenance Department.

Please note that perishable items or open packets of food should not be stored in rooms due to the risk of infestation.

Laundry Facilities

Coin-operated washing machines and clothes dryers can be found in the postgraduate laundry in Cosin Court.

Washing machines and tumble dryers (where space permits) have also been installed in the Fitzwilliam Street, Parkside and Warkworth Street houses.

Any problems with the coin-operated machines should be reported to the Porter's Lodge, who will contact the service providers plodge@pet.cam.ac.uk. Problems with the washing machines and tumble dryers in the other houses should be reported to: fixit@pet.cam.ac.uk.

Saffron Walden Laundry is appointed by the College to provide a laundry service for Junior Members. Collections are made on Mondays and Thursdays in full term (for laundry parcels left in the Porter's Lodge by 8.30am), with deliveries one week later. Any losses or damage should be reported to the laundry company immediately. Laundry bills are recharged to students on a termly basis via their College account.

Communal Living

Students living together should be mindful of those around them and make sure communal areas are left in generally acceptable state for others to use (such as washing up washed and dried and tidied). As people keep to different routines, a general respect for a quiet period between 10pm and 6am should be met by all residents.

Section 4: Postgraduate Accommodation Procedures

Start and End of Tenancy Procedures

Postgraduates can take up residence **from 2pm** on the first day of the licence period – keys should be collected from the Porter's Lodge. Accommodation should be vacated **by 10am** on the last day of the licence period with keys returned to the Porter's Lodge. If there are other arrangements required, these need to be approved in advance via the Accommodation Office. Charges will be applied for late departures where no arrangement has been sought. Signing keys out and in at the Lodge is recorded on the accommodation database to arrival and departure times can be confirmed.

Postgraduate Licences

Postgraduates normally remain in the same room throughout the length of their course unless they have a particular reason for wanting to move. Those continuing postgraduates remaining in their current room will be issued with a new licence in August until 1st September of the following year. Continuing postgraduates who are moving rooms over the summer will be advised of a moving date and will be issued with a licence from that date to 1st September of the following year. New postgraduates will be issued with a room licence from the start of the academic year, as advised by the Postgraduate Admissions Office, until 1st September of the following year.

Working Away from Cambridge

If a postgraduate student intermits, or expects to be working away from Cambridge for a period of at least two consecutive months, and has applied for and received approval to be away via the CamSIS self-service page, they may apply for remission of rent during the period of absence. The application form is obtainable from the Accommodation Officer and a copy is provided at Appendix D of this Handbook. Rooms should be cleared of all belongings (storage of belongings is not available) and the College reserves the right to let the room to another person during the period of absence. If your return date changes while you are away, please contact the Accommodation Office to inform them of the change so that we can ensure that your room is ready for your return.

Notice to Vacate Accommodation

Postgraduates wishing to vacate their accommodation prior to the end of the licence period should complete the Notice to Vacate Accommodation form in order to give a month's notice in writing to the Accommodation Officer. A copy of this form is provided at Appendix E.

At the end of the licence period all personal possessions must be removed from College rooms and communal areas, including kitchens and bathrooms. Any possessions left behind will be disposed of as the College sees fit and any charges incurred may be passed on to the owner. The College does not have storage facilities for storing the personal possessions of postgraduates. If you wish to store your belongings during any periods away from College, you are advised to contact the various commercial storage companies which operate in Cambridge.

Section 5: College Catering

Meal Times

Meals are available at the following times during the main licence period:

<u>Breakfast</u>	Breakfast is served from 8.00am – 9.30am, Monday to Friday
<u>Brunch</u>	Brunch is served from 10.30am – 1.30pm on Saturdays only
<u>Lunch</u>	<p>The Servery is open between 11.45am – 12.00pm, Monday to Friday for purchases of sandwiches, snacks, drinks etc. to take away</p> <p>Self-service lunch is available from 12.00pm – 1.30pm, Monday to Friday</p>
<u>Dinner</u>	Self-service dinner is available from 5.45pm – 6.45pm daily
<u>Formal Hall</u>	Formal Hall takes place at 7.30 pm daily in Full Term

Meals During Vacations

There are periods within each of the vacations when the kitchens are closed completely. However, lunch may be available on weekdays, when the kitchens are open to provide other lunches.

Servery

Junior Members will only be served breakfast, lunch or dinner in Hall on presentation of a valid means of payment. Items purchased in the Servery may be charged via the University Multipurpose Security Card (or the Upay QR code) to an individual's Upay account. Payments via credit/debit cards are also accepted, but Junior Members are kindly requested not to make such payments for amounts less than £1.

Meal prices are variable, dependent on individual choice of dishes. Prices may be adjusted throughout the year in line with market movements.

Junior Members are asked to take their trays back to the trolley provided after breakfast, lunch and self-service dinner, and place any take-away rubbish in the bins provided. College crockery, cutlery or glassware should not be stored in gyms or bedrooms.

Formal Hall

Formal Hall is ordinarily available every evening during Full Term; bookable dates can be found on Upay.

Formal Hall costs £8.25 and the charge is deducted from the balance held on the individual's Upay account. Bookings may be made two weeks in advance and close by 1.30pm on the day (1.30pm on Saturday for Sunday evenings) so that final numbers are available to the catering staff. Please note that once a booking has closed it is not possible to amend or cancel the booking, or to request a refund. Please queue to enter the Hall via the Servery, from Old Court. Junior members must wear a gown to attend Formal Hall.

Guests in Formal Hall

Guest tickets can be purchased on Upay, at a surcharge of £3.85 (inclusive of VAT) per guest. Guest tickets are subject to VAT. Any dietary requirements should be indicated in advance in the 'special requirements' section of the Upay booking. Junior Members can ordinarily purchase a maximum of two guest tickets for a single Formal Hall, larger numbers (up to six guests) require permission by means of a group-dining permit. Dining permits may be found at: <https://intranet.pet.cam.ac.uk/content/formal-hall-and-events>

Please note: Junior members must be present to admit their guests into Hall and must attend for the duration of dinner in order to host their guests. If the member of College who made the booking does not attend then the guests **will not** be admitted and (other than in exceptional circumstances) no refund will normally be given.

Wine in Formal Hall

Junior Members are permitted to bring wine into Formal Hall. This may be purchased from the College Bar. Wine purchased externally and taken into Hall will be subject to a corkage fee of £2.00 per bottle. Corkage is permissible only for standard (75cl) bottles of wine. Larger bottles of wine, beer, spirits, liqueurs and port are not permitted in Formal Hall.

Super-Halls and Special Events

From time to time the Catering department organise Super-halls or other themed Formal Halls, in place of the standard Formal Hall. Bookings for these events should also be made on Upay, where details of the menu and booking procedure (including maximum guest numbers) can be found. The price of tickets for these special events will be indicated on the booking information. Ticket sales usually close earlier than Formal Hall bookings (as detailed within the Upay booking), in order that the kitchens can prepare. Please note that once a booking has closed it is not possible to amend or cancel your booking, or to obtain a refund.

Junior members must wear a gown to attend Super-Hall or similar events.

Allergies and Special Dietary Requirements

If you require an alternative meal to the one on offer, owing to a special dietary/allergy or religious needs, please indicate your requirement when making your Upay booking in the 'special requirements' section of the Upay booking. If you suffer from particular food allergies, you must also inform the Catering Manager, your Tutor and the College Nurse, and seek advice as necessary from the service staff on duty.

Lost University Multipurpose Security Cards

Lost cards should be reported immediately to the Duty Porter and a replacement should be ordered via the Computer Office. The University Card Office levies an administration charge for the replacement of lost or stolen cards.

College Bar

The College Bar is normally open during term-time from 7.00pm to 11.00pm each day. During Michaelmas and Lent Terms, the Bar will remain open until midnight on Fridays and Saturdays.

Items purchased in the Bar may be charged via the University Multipurpose Security Card (or the Upay QR code) to an individual's Upay account. Payments via Credit/Debit cards are also accepted. Junior Members are kindly requested not to make such payments for amounts less than £1. It is not permitted to consume drinks in the College Bar that are not purchased from the College bar.

Upay

Upay is the online system for booking places for Formal Hall, Super-Halls and society functions in College. It also enables the purchase of meals, drinks and snacks in the Servery and College Bar using the University Multipurpose Security Card or Upay QR code.

Each student will need to have a Upay account. Returning students will continue to use the account they have set up previously, but all Freshers will need to register to set up their Upay

account. Once set up, the account will work throughout the years you are a student in the College, i.e. while you are holding an active University card.

Once the account is set up, you will be able to book tickets, check the balance on your account and see a statement of your purchases. You will also be able to top-up your account in order to continue to make purchases (see beneath).

The Upay App is available from the App store or Google play. The most recent version is v4.9.5. Please make sure you update the app regularly.

3. You will then be asked to enter your User ID to confirm registration. Your user ID is your CRSid (the first part of your @cam address). If you do not know this, please contact (helpdesk@pet.cam.ac.uk) for assistance. **You do not need to enter a card number**
4. Click the next button and you should see a confirmation page, informing you your account has been created

It is essential that you present your University card to the member of staff on duty when attending the function booked so that you are checked in.

Section 6: Catering Charges

Pre-paid Top-up System

The College is operating a pre-paid top up system for all students. At the start of each term your Upay account will be credited with £100/term and this amount will be charged to the corresponding College bill issued prior to the start of each term.

You can add money to top-up your account on the Upay website, using a debit or credit card.

Select either:

- Auto top-up: specify an amount to add automatically when your balance is low
- Manual top-up: an alert (sms, email) when your balance is low to remind you to top-up

Guest top-up allows a third party (such as a parent) to add money direct to your account. They just need to know your CRSid., eg. xyz123. They do not have access to your expenditure.

Refund of Balances Held at the End of the Course

If you have any money left on your Upay account when you have completed your course at Peterhouse you are able to request a refund online. This can be done by logging into your Upay account and choosing account closure. There will be an option to request a refund of the outstanding amount to the debit/credit card you have previously used to top-up. Please note that this refund is limited to £50. In the unlikely event that you have more than £20 on your account when you leave, you will need to contact the Accounts Office on studentbills@pet.cam.ac.uk to request a refund. Your Upay account will be closed down 16 months after graduation and any unclaimed balances will be donated to the Amalgamated Clubs at Peterhouse.

Changes to Pre-paid Upay top up

Students who wish to either opt out of the £100 top up each term, should contact studentbills@pet.cam.ac.uk to arrange the change.

Students not living in College Accommodation

Where students do not live in College accommodation any catering costs incurred (e.g. in the Servery) will be subject to an additional guest charge (currently 30%).

Section 7: College Bills

College Bills are issued termly for all Junior Members. Bills will include charges in advance for Upay top-ups (minimum spend requirement) and charges in arrears for library fines, lost university cards etc. If you are wholly or partially self-funded, your tuition fees will normally be included on the Lent term bills.

College Bills are issued in accordance with the following timetable:

College bill name	Timing	Month issued
Michaelmas term (MT) bills	Beginning of Michaelmas term	September/October
Lent term (LT) bills	End of Michaelmas term	December/January
Easter term (ET) bills	End of Lent term	March/April
End of Year (EY) bills	End of Easter term	June/July

Bills are emailed to students' Cambridge email accounts as soon as possible after the end of each term and must be settled in full no later than thirty days from their date of issue. Late payment may attract an administration charge of £25 and interest at the rate of 0.25% per week.

Junior Members with queries in relation to their College Bills should consult the Fees and Billing Supervisor in the Accounts Office without delay at studentbills@pet.cam.ac.uk. In order to avoid interest charges, those items which are not in dispute should be paid by the due date.

Tuition Fees

Lent term College bills will also include any tuition fees payable by Junior Members who are wholly or partially self-funded. Queries should be directed to the Fees and Billing Supervisor as above.

Student Loans Company (SLC)

Home and EU students with settled or pre-settled status who are eligible for a student loan, must make an application to the relevant office (Student Finance for England, Wales and EU students, Student Awards Agency for Scotland (SAAS), Student Finance NI for Northern Ireland) for each year of their course. Each office sets its own deadlines for applications to ensure that loans are processed in time for the start of term.

Those Junior Members who have applied for financial support from Student Finance, or the equivalent regional office, will be requested to provide a copy of their SLC entitlement letter to the Accounts Office in September/October each year.

This form provides evidence of the loan amount due and is required before your attendance can be confirmed to the SLC, thus releasing the loan payments. Failure to provide a copy of this form will result in delays in payment. Please note that postgraduate loans are generally paid directly to students' bank accounts. It is the students' responsibility to pay over the appropriate amounts to the College after each instalment is received from the loan company (if the loan is used to cover tuition fees). **Please note that the College may invoice you for any tuition fees unpaid by the SLC due to non-confirmation of attendance.**

Payment of College Bills

Junior Members are expected to settle their College bills by direct bank transfer (quoting their CRSid) to the College's Barclays Bank Account:

Account name:	Peterhouse
Sort Code:	20-17-68
Account number:	50717673
IBAN:	GB15 BARC 2017 6850 7176 73
Swift Code:	BARCGB22

Persistent non/late payment of College bills may result in the Junior Member being required to go out of residence.

Junior Members who are experiencing financial difficulties should contact their tutor without delay.

Settlement of Bills Prior to Graduation

Junior Members cannot proceed to their degrees until all outstanding bills, including rent, have been paid. See further CR xxvi. If a Junior Member leaves Peterhouse and still owes the College money, the outstanding debts may be passed to a commercial debt collection agency.

When applying for a degree congregation you may wish to contact the Accounts Office so that your final College bill can be prepared for you to settle prior to graduation, or to check that all outstanding bills have been cleared.

Any unclaimed credit balances on College accounts will be removed 16 months after graduation and donated to the Amalgamated Clubs at Peterhouse.

Students' Bank Details

Payments can be made directly to students' bank accounts via the individual's College account held within the College's accounting system. This facilitates the payment of grants, reimbursements of College Society expenses and refunds of any credit balances and deposits at the end of the course. We therefore need to record the bank details for each student against their College account. Please complete and return the bank details form that will be emailed to you at the start of the academic year. **Please note that we cannot accept the form without your signature.** For continuing students, there is no need to fill in a new form each year if your bank details remain unchanged.

Section 8: Housekeeping

The Domestic Services Manager, reporting to the Senior Bursar, is responsible for the oversight of all College accommodation. The Head Housekeeper is responsible for managing the housekeeping service. The cleaning of all College accommodation, including rooms and communal areas, is carried out by Domestic Assistants, Janitors, and occasionally by approved external contactors. Particular housekeeping issues should be reported via housekeeper@pet.cam.ac.uk.

Cleaning of Postgraduate Accommodation

Postgraduates are responsible for keeping their own accommodation clean, to the satisfaction of the Housekeeping Team. The College has made arrangements for the common parts of shared properties to be cleaned twice a week, with postgraduates advised of the regular rota. Postgraduates must keep these areas in a reasonably tidy state such that the Domestic Assistants can do their job properly, without the need to clear sinks, floors or other surfaces.

The twice-weekly cleaning is to ensure that the bathrooms, kitchens and corridors in shared houses are cleaned regularly. Washing-up, cleaning cookers/ovens and the cleaning and defrosting of fridges and freezers fall outside the remit of the weekly cleaning regime. Those students in en-suite rooms are responsible for cleaning their own bathroom.

Each year the College will arrange for an annual deep clean of each postgraduate hostel. During this clean only, the cookers, fridges and freezers will be cleaned. Notice will be given in advance so that arrangements can be made to enable the deep clean to take place, including the provision of a temporary freezer so that the usual freezer can be defrosted. Prior to these cleans, students will also be asked to empty kitchen cupboards into storage boxes to enable cleaning of the whole kitchen.

Self-contained flats do not receive a domestic service and students are responsible for their own cleaning in these spaces. Housekeeping will arrange for inspections of postgraduate accommodation to be carried out on a regular basis, giving at least 24 hours' notice. Occupants will be advised of any shortcomings identified and given a reasonable period of time for these to be addressed. In cases where the occupants fail to remedy matters within the time stated, the College reserves the right to undertake the necessary cleaning and charge the cost to them.

Refuse Collection

Postgraduates are responsible for placing their household waste in the wheelie-bins provided.

For postgraduates living in Cosin Court and Fitzwilliam Street, the bin store is located at Cosin Court by 15 Cosin Court.

For postgraduates living in houses away from the main College site, wheelie bins are provided by Cambridge City Council.

Recycling

The College is committed to working with Cambridge City Council to recycle as much waste as possible in line with our environmental policy. Mixed recycling bins are provided at each property including in each bedroom so students may separate their own waste and empty into the appropriate bin. These are clearly labelled and Junior Members are asked to ensure that they follow the disposal guidelines indicated.

Ink cartridges can be recycled at the College Office, battery bins are provided in the JCR and MCR. Food waste can be collected and deposited in green bins found in graduate back gardens.

Those postgraduates living in houses away from the main site can find details of Cambridge City Council's recycling guidelines and refuse collection arrangements via the environment/rubbish, waste and recycling' link from the City Council's home page (www.cambridge.gov.uk).

Notice of Access to Properties by Housekeeping Personnel

The designated days for the twice-weekly cleaning for each shared house/flat will be communicated via the Accommodation Office. Please note, that the visits may be subject to change if cover of staff is needed and notice of this will be given wherever possible. Arrangements for the annual deep clean will be communicated to all occupants well in advance and your co-operation is requested to enable a full clean to take place.

A minimum of 24 hours' notice will be provided to all occupants of a property for any routine inspection visits or to the individual tenant for end of tenancy checks.

Section 9: Maintenance

The Maintenance Department, reporting to the Senior Bursar, is responsible for the maintenance and repair of all College accommodation, deploying members of his internal maintenance team or approved external contractors as appropriate.

In the event of an emergency, such as a burst water-pipe or gas leak, Junior Members should contact the Porter's Lodge without delay. All other requests for repairs or assistance should be made via: fixit@pet.cam.ac.uk (please note this is not monitored outside office hours).

Response Times

Target response times for repairs are as follows:

- Emergency - during working hours: immediate
- out-of-hours: within 2 hours
- Urgent - same day
- Non-urgent - within 28 days

If these response times cannot be met, the student making the request will be notified.

In the event of icy conditions or heavy snow-fall, remedial clearance activities will take top priority.

Planned Maintenance

All planned maintenance works and servicing of equipment will be undertaken in such a way as to minimise inconvenience to residents. Under normal circumstances, the maintenance department will aim to give a minimum of 24 hours' notice to all occupants of a house for work in communal areas and will avoid scheduling work during examination periods.

The College grounds are cleared of litter on a weekly basis during full term. Students should ensure that their litter (and that of their guests) is disposed of correctly.

All gas appliances are serviced annually by a GAS SAFE registered engineer.

Fuse Boxes in Postgraduate Hostels

The fuse boxes in the postgraduate hostels in Parkside and Warkworth Street are left unlocked to enable residents to re-set a tripped fuse without the requirement to collect a key from the Porter's Lodge.

However, in order for the Maintenance Department to monitor the number of incidences of the switches tripping and to investigate the cause of such problems, an email **MUST** be sent to the Fixit address to report each time a fuse trips and has to be re-set. If these incidences are caused by the use of faulty electrical equipment, this could constitute a fire hazard so it is important that a track can be kept of these occurrences.

Notice of Access to Properties by Maintenance Personnel

- Emergency work: when there is a requirement for immediate access to avert or minimise damage to College property or physical injury, no notice will be given in advance. If it has been necessary to gain access to an individual student's room, retrospective notice will be given explaining the reason for entering the room and detailing any further work required to be carried out
- When a Fixit request is sent by an individual, access to their room for the purposes of maintenance is assumed unless the individual provides specific instructions to the contrary. Whenever possible, the Fixit request will be acknowledged by the

Maintenance administrator and an indication given of the proposed date and time for carrying out the necessary repair

- Where access is required to an individual room or to communal areas for planned maintenance work, routine inspections, the servicing of boilers or other equipment, or for any other reason, a minimum of 24 hours' notice will be given to each occupant, usually by e-mail.

Section 10: Heating

Central heating is centrally controlled and is normally supplied to all College rooms from early in the Michaelmas term until the end of Lent term. If conditions are very cold before or after these dates, the heating will be adjusted accordingly. Heating systems are timed to come on daily from 6am to noon and from 2pm to midnight. Occupants are encouraged to help save energy and costs by keeping windows closed in cold weather and by using thermostatic radiator valves where these are fitted. Some areas of College are being fitted with Smart Radiator valves to aid more effective heat management in our properties; full operating instructions will be available for these items.

In case of main heating system malfunction or in exceptional circumstances where a room is deemed to be not sufficiently heated by the main heating system (as determined by the Maintenance Department), secondary electrical heating can be issued. Members should note that such heaters are expensive to run and are an inefficient way to heat a room and wherever possible, the main central heating should be used in preference to electric heaters. Heaters should not be left on in empty rooms and will be issued with timer devices.

Only heaters supplied by the College and tested for safety are allowed in student rooms. Heaters must not be used for drying clothes etc.

Energy Efficiency

Junior Members are urged to be energy conscious, switching off lights and any electrical appliances, including computers, when leaving their rooms or overnight. Windows should be kept closed in cold weather and thermostatic radiator controls used to regulate room temperatures.

Section 11: Health and Safety

The College aims to maintain the highest standards of Health & Safety and has a variety of policies and procedures in place to minimise the risks to its members, staff and visitors. Junior Members are reminded however, that the College site consists mostly of historic, listed buildings and consequently has features, which can be hazardous if not approached with due care and attention: in particular, stone courts are uneven and can be slippery when wet; some staircases are steep; and some ceilings and doorways (particularly those leading to the Screens Passage) are surprisingly low. Care must be taken in historic buildings; damage to the fabric of listed buildings is illegal.

Access to certain areas of the College is prohibited to Junior Members for Health & Safety reasons. These include all roof spaces, maintenance services areas, construction sites and any other part of College property where access would clearly be a danger to the Health & Safety of themselves or others. Junior Members have a duty to report any accident, or any unusual circumstance or hazard which might endanger the safety of themselves or others.

Accident Procedures

In the event of an accident on College premises you must inform the Porter's Lodge immediately. Arrangements will be made for any appropriate treatment including, if necessary, transfer to hospital. In due course an accident form **MUST** be completed, giving full details of the incident and the names of any witnesses. Accident forms are available from the Porter's Lodge and the HR Manager's Office in K1.

In the event of a serious accident or medical emergency, Junior Members should dial 999 to summon an ambulance and then *immediately* inform the Porter's Lodge that a 999 call has been made by telephoning (01223) 338200. There is a Porter on duty at all times, day and night.

First Aid Provision

A number of First Aid boxes are situated throughout the College and Junior Members should ensure that they are aware of the location of their nearest box. These boxes are for use *only* in emergencies. A list of qualified First Aiders and their contact details is attached to each box and also held by the Porters. All Porters are qualified First Aiders.

For general procedures in the event of illness, see further CR xxiii.

Communicable Diseases

All students are expected to be aware of and comply with the College's guidance in a pandemic, which would be found on the College's intranet, which can be accessed from the main [website](#).

Further information is also available on the [University website](#).

Section 12: Fire Safety

Prevention of Fire

It is the duty of all College members, staff and visitors to prevent fire. While the College has a number of policies and procedures in place to minimise the risks, individuals must also be aware of the potential dangers. In particular:

- Cooking in Junior Members' rooms is absolutely forbidden. Electrical cooking equipment is banned from rooms, as are fridges (unless permission has been given on medical grounds) and freezers
- The use of frying-pans and woks in gyms or kitchens is permitted, but should be done in a way conscious of fire safety avoiding overheating oil or leaving anything unattended at any point. Care should be taken when handling hot oils and disposing of them. The oils should be allowed to cool and solidify, then disposed of in a bin; where possible oils should not be poured down the sinks
- Only hobs installed by Peterhouse are allowed; these are installed on timers
- The use of any mains-powered electrical equipment in College accommodation is permitted only if The Maintenance Department is satisfied that it will not overload the electrical system or otherwise constitute a safety hazard. Junior Members intending to bring up unusual items with heavy current consumption MUST consult the Maintenance Department in advance

More specific electrical appliance guidance can be found here:

Rice Cooker Guidance:

Safe Use:

- Check that your rice cooker has a UK plug; if it doesn't then do not use a UK travel adaptor – seek advice from the manufacturer, retailer, or the Maintenance Department
- Do regular checks of the plug and socket for burn marks; DO NOT USE if there are sounds of 'arcing' (buzzing or crackling) or if it feels too hot to touch
- Many modern electric rice cookers are designed with a stay-warm feature, which means the cooker can stay on for hours to keep food at optimal temperature – NEVER leave a rice cooker on unattended
- Don't use the rice cooker near or below curtains, shelves, cupboards, or anything else likely to be damaged by the escaping steam
- Do not over fill the bowl with food and water
- Always be careful when pouring food or water in or out of the rice cooker so that the power cord and socket stays dry
- Always turn off the appliance when not in use
- Never plug into an extension lead
- Make sure you keep your power cords away from hot surfaces to avoid damaging cables

Air Fryer Guidance:

Safe Use:

- Check that your appliance has a UK plug; if it doesn't then do not use a UK travel adaptor – seek advice from the manufacturer, retailer, or the Maintenance Department
- If you notice a burning smell or any unusual noises, switch the fryer off immediately and contact the retailer, and/or manufacturer, and/or Maintenance Department
- Never put oil inside your air fryer
- Watch out for hot steam coming out of the fryer

- Never immerse the fryer in water and always wait at least 30 minutes to clean it after use
 - Keep the power cords away from hot surfaces
 - Always turn off the fryer at the socket when not in use
 - NEVER leave the fryer unattended
 - Don't overfill your fryer
 - Never plug into an extension lead
 - Make sure you keep your power cords away from hot surfaces to avoid damaging cables
-
- All electrical appliances brought into College accommodation by Junior Members MUST be tested for safety by a competent person, with a PAT Certificate issued and the item labelled as being safe for use. Junior Members may arrange for this to be carried out in advance of coming into residence. Alternatively, the Maintenance Department will arrange to test all such equipment and issue the appropriate certification in the first half of the Michaelmas term free of charge. Junior members must notify the Maintenance Department, before the first weekend in the Michaelmas full term, if they have any electrical items, which will need to be tested. After this time, any faulty, suspect or new items must be taken to the Maintenance Department where they will be inspected for a charge of £2.50
 - Non-UK electrical appliances are prohibited – this is recommended guidance for fears of inadequate safety features and compatibility with UK electrical systems
 - Rooms may be inspected periodically and any electrical equipment belonging to Junior Members, which is found to be untested or otherwise considered unsafe will be removed. The use of block (rather than strip) multi-plugs is strictly forbidden and will be removed
 - Junior Members must not interfere with the wiring, electrical fittings, heating system or any other College-owned equipment installed in their accommodation. Junior Members should notify the Maintenance Department of any faulty electrical fixtures or equipment without delay via fixit@pet.cam.ac.uk
 - The use of candles, incense sticks, aromatic oil burners and any other device with a naked flame is NOT permitted in Junior Members' rooms – these will be removed and disposed

Fire Drills & Fire Wardens

The Fire Safety Manager is responsible for arranging fire evacuation drills for each staircase and house. A compulsory briefing for new postgraduates on fire safety will take place in the Michaelmas term. Certain Junior Member rooms are designated as Fire Warden Rooms; students in these rooms are given additional training and expected to knock on doors in the event of an evacuation. If Junior Members have any questions about fire safety, they should raise them with the Head Porter and/or their Fire Warden. Roll Call sheets are in place in the Fire Warden's room, these are to be completed in the event of an evacuation. Instructions for what to do can also be found with the Roll Call sheets, if any of this is missing, please report this to the Maintenance Department.

Detection and Alarm

All Peterhouse accommodation is equipped with an automated fire detection and alarm system, linked to the Porter's Lodge. Buildings must always be evacuated promptly when the fire alarm sounds, unless it is part of a test procedure, and not re-entered until the 'all clear'

has been given. Fire alarms are tested on a weekly cycle at pre-arranged times: main College site is Tuesdays 13:30 – 15:00.

First aid fire appliances (extinguishers, fire blankets etc.) are strategically located throughout College properties. Any interference with the fire detection and alarm systems or fire appliances, including temporarily disabling a smoke detector or discharging a fire extinguisher inappropriately, is deemed to be a very serious breach of College Regulations and will incur a penalty charge.

In the event of fire, it is the responsibility of the occupier to set off the fire alarm at the nearest break-glass point, alert the Fire Service immediately (dial 999 and ask for “fire”) and then notify the duty porter in the Porter’s Lodge by telephoning (01223) 338200.

Escape

Instructions on fire procedures are posted throughout College accommodation and Junior Members are expected to make themselves familiar with the fire drills, escape routes and assembly points applicable to their accommodation. The instructions can be found on the Fire Action notices, which are located near the break-glass points and at the entrance to each building.

To enable safe evacuation in the event of fire, it is extremely important that escape routes, corridors, landings, stairs, hallways and fire exit doors **MUST** not be obstructed in any way. Fire doors **MUST** be kept closed at all times and **MUST** not under any circumstances be propped or wedged open. This will compromise the fire safety for building occupants and the building itself.

Smoking Policy

The College has a legal responsibility to protect people against the effects of passive smoking and so we cannot permit smoking anywhere inside the College’s buildings; this restriction includes Fellows’ rooms and students’ rooms. This policy applies to all visitors to the College, including contractors, suppliers and conference guests and to the use of electronic cigarettes.

Smoking is not permitted in any College building, including off-site hostels, or in any of the courts. Smoking is not permitted in the gardens.

Anyone wishing to smoke must use the seating area behind the Screens Passage. The College provides litter/ash bins at this Designated Smoking Area. Cigarettes, cigars and pipes etc. must be extinguished using the receptacles provided and smokers should ensure that there is no risk of fire. This area will be monitored to ensure an acceptable standard of cleanliness and adherence to safety.

This Policy seeks to ensure as far as possible that non-smokers breathe only air that is free of smoke, while also taking account of the needs of those who do smoke.

Students are required to advise their guests of this College policy, and to ensure that it is followed.

Smoking in any area other than in the Designated Smoking Area will be dealt with in accordance with the College’s disciplinary procedures.

Section 13: Security

Lost Keys

Junior members may collect the key to their accommodation from the Porter's Lodge and must return it to the Porter's Lodge upon their departure (see sections 2 and 4 above). A charge of £25 will be levied to replace any key, which is lost or not returned. In the case of hostels, the room key will also open the front door of the hostel.

Security Briefing

A compulsory briefing for new postgraduates on security will take place on the first Monday of the Michaelmas term. Junior Members must keep their rooms locked whenever they leave them unoccupied, with any accessible windows closed. Housekeeping and Maintenance will always leave rooms secure, even if they have been unlocked upon entry. It is particularly important that those Junior Members living in College houses ensure that the main door to the building is kept firmly secured at all times.

College housekeeping and maintenance staff, and approved contractors will carry identification. If Junior Members are unsure as to the identity of anyone arriving to undertake works, they should check their details with the Porter's Lodge before allowing them to enter.

University Multipurpose Security Card

Junior Members will also be issued with a personal University Multipurpose Security Card, which controls access to a number of areas within the College, including the library, computer room, main laundry, garden and back gate. Junior Members are reminded to take particular care of their cards and report any loss to the duty porter without delay.

Defective, broken or worn-out cards are replaced free of charge by the University Card Office. In the event that cards are stolen or lost, the University Card Office levies a £10 administration charge for their replacement. Further information can be found via the 'computing' link from the Current Students section of the College website.

Section 14: Other Matters

Post

Each Junior Member, whether resident in College accommodation or living out, will be allocated an individually-labelled pigeon-hole. Postgraduate pigeon-holes are located in the in the MCR. See further CR xxv.

Gym

The David Ross gym is available for the use of all Junior Members, Fellows, staff and conference guests who have completed an induction session and signed the relevant gym usage form. The gym is closed for cleaning between 11-11.30 daily.

The key to the gym should be signed out from the Porter's Lodge and will only be issued to individuals who are listed as having completed the relevant induction session. The gym has a CCTV system installed for security and safety purposes, and there is a direct phone link to the Porter's Lodge for use in case of emergency.

The College's health and safety policy should be followed at all times when exercising. Gym-users should, whenever possible, try and ensure there are a minimum of two people in the gym whenever it is in use.

Between the hours of 7.30am and 8.30pm during full term and between the hours of 7.30am and 5pm out of full term, single users are, at their own risk, permitted in the gym. During these hours the Porter's Lodge will be manned and, when available to do so, Porters will seek to provide some limited monitoring of the gym over the CCTV system. They will also usually be able to answer the emergency phone link from the gym during these hours.

Outside of these hours the Porter's Lodge is not continuously manned. It is therefore not usually possible for the Porters to monitor the CCTV system, and so single users are not permitted in the gym.

Induction sessions should be booked online at:

http://www.supersaas.com/schedule/S&Csessions/Peterhouse_Gym

Bicycles

All bicycles must be marked using a tag bearing the College's name and an individual number. This is not only to satisfy University Regulations, but also to maximise the chance of a bicycle's return should it be stolen. Arrangements for tagging are managed by the Head Porter, who is instructed to see that this regulation is enforced. Unmarked bicycles may be removed without warning.

Bicycles may not be left anywhere on College property except in the bicycle racks or sheds provided. In particular, bicycles must not be chained to railings or brought into the common parts or rooms of College accommodation. **Bicycles left in unauthorised locations may be removed without warning.**

Bicycles should be locked securely whenever they are left unattended.

Car Parking

See CR xxii.

Visitors

Occupancy of College accommodation is granted only to the Junior Member in question and rooms may not be assigned, sub-let or shared.

Occasional guests may stay overnight in College accommodation. Junior Members must record the name of their guest, their location and the duration of their stay in advance in the guest book kept in the Porter's Lodge. For reasons of fire safety, it is essential that the College is aware of all such visitors.

Such occasional guests are only permitted to stay in College accommodation for a maximum of three nights in any fortnight. Permission for a longer stay will only be granted in exceptional circumstances and must be sought in advance from the Senior Tutor.

When inviting guests to stay in your room, you should be considerate towards the other occupants of the property as additional people will increase the demands made on the communal areas, especially the bathrooms.

College Guest Rooms

The College has three single guest rooms which may be booked by Junior Members for use by their guests: Old Court C7, Gisborne Court M1 and Fen Court 11. A maximum of two rooms may be booked, for a maximum of three consecutive nights.

Guest rooms are booked through the Conference Manager at conference@pet.cam.ac.uk.

Rooms are available for occupation from 12 noon and keys should be collected from the Porter's Lodge. Guests are asked to vacate their rooms by 9.30am on the morning of departure and to hand the keys back to the Porter's Lodge before 9.45am. Failure to comply with this requirement may result in the cost of a further night's occupation being added to the final invoice. Guests staying for breakfast in College may temporarily store their luggage in the Luggage Room – contact the Porters for access.

The College will be responsible for general cleaning and will supply necessary linen and towels, but a charge may be levied for any cleaning or use of linen and/or towels considered to be in excess of normal use. A charge may also be levied in respect of any damage caused to College property.

The guest room rate for Junior Members is currently £29.16 + VAT per night (£34.99), with charges added to their termly College Bill.

Junior Members will be held responsible for their guests during their stay. See further CR xiv.

Good Neighbour Policy

Junior Members are expected to be mindful of the proximity of their neighbours, both within College accommodation and in the wider community. Junior Members should note that College Regulations apply to off-site properties as if they formed part of the main College site. See further CR xv, xix.

Animals may not be brought into or kept in College accommodation.

Access to Rooms

The College will require periodic access to Junior Member accommodation for cleaning, maintenance, inspection and other reasonable management purposes. Prior notice will be given wherever possible, but the College reserves the right to enter any room without giving notice in the event that immediate access is considered necessary to avert (or minimise) damage to College property or physical injury. In such cases, the occupant of any room entered will be contacted as soon as possible after the event to inform them that entry has been gained and to provide details of any work undertaken. For further information on access by housekeeping and maintenance staff, see sections 8 (Housekeeping) and 9 (Maintenance).

Queries and Complaints

Any queries or complaints relating to College accommodation should be addressed in the first instance to the Accommodation Officer, Assistant Housekeeper, or Head of Maintenance, as appropriate. Any issues which have not been satisfactorily addressed may then be referred to the Accommodation & Housekeeping Manager, or the Senior Bursar who will investigate and seek to resolve matters. Should this resolution not be considered acceptable, Junior Members should consult their tutors in the normal way.

A directory of College Officers and staff can be found via the 'contact details' link from the 'Welcome' section of the College website. The main contacts for accommodation issues are shown at the front of this handbook.

Appendix A: Contractual Relationship between Students and Peterhouse

All Junior Members in College accommodation will be issued with a room licence covering their occupancy as licensee of College accommodation.

Details of the terms and conditions, which apply to junior member accommodation and which will govern any occupancy are to be found in the student handbook. In accepting the offer of accommodation, junior members agree to observe these terms and conditions. Junior members will be deemed, in the absence of other arrangements, to have entered into the room licence once they have signed for the key to their room.

The College reserves the right to terminate the licence of occupation of any junior member in the event of serious and/or repeated breaches of the terms and conditions of junior member accommodation, College Regulations, or key College Policies such as Health and Safety. In such an event, the College will serve written notice of early termination to the junior member in question, stating the reason for such termination, and will charge the junior member on a pro-rata basis for the days in occupation.

Terms and Conditions of Occupation of College Accommodation

The Licence:

- These terms and conditions apply to the occupation of rooms by junior members of the College. Lettings are on the basis of a licence, signed on behalf of the College before the commencement of occupation, and which the Licensee is deemed to have entered into when they take possession of the keys to the room listed on the Licence agreement
- The College reserves the right to vary the premises allocated from time to time during the course of the licence and, if appropriate, to vary the accommodation charge. In both cases due notice would be given
- In particular, the College reserves the right to transfer a resident's occupation to a different room and/or premises where reasonably required by the College on giving reasonable prior written notice (except in the case of emergency) to the resident. This right may be exercised by the College in circumstances including, but not be limited to, where the College considers a transfer is required in the interests of residents' comfort, safety, convenience, or in the event of essential maintenance or disciplinary proceedings. The transfer may be to a property owned and/or managed by a third party where the College has entered into an agreement with the third party to use the premises as residential accommodation for registered students
- The use of the premises provided is for the licensee's own single occupation only, except where couples accommodation is provided
- This licence shall at all times be construed as a personal licence with the licensee and shall not be transferred, assigned or sublet, nor shall occupation of the premises be shared or parted with
- The licence also permits the licensee to use any furniture, fittings and equipment in the rooms provided, and to use all communal facilities
- The licensee acknowledges that the College is entitled to enter the premises at any time and for any reason whatsoever during the licence period, provided that appropriate notice has been given in non-emergency situations, and the licensee agrees that it shall not obstruct or interfere with the College's rights of possession and control of the premises or with the rights of any third parties to use the premises. The College reserves

the right to use the premises at all times outside the licence period, when the licensee is not in residence, and to retain any sums arising in consequence of such use

Licensee's Obligations:

- To remove all goods and other items belonging to the licensee from individual rooms and from communal areas, and to leave the premises in a clean, tidy and safe condition on vacating the premises at the end of each licence period

- To collect, each licence period, the key to the premises upon arrival from the Porter's Lodge and sign to record this
- To return, at the end of each licence period, the key to the premises on departure to the Porter's Lodge and sign to record this

- The licence may be terminated upon the licensee ceasing to study in the College or ceasing to be treated as continuing in residence, whether by reason of withdrawal, postponement, suspension, exclusion or otherwise. For this purpose, a person is studying in the College if they are engaged in a course in the University, or some other course of study approved by the College
- This licence will terminate on such notice as is fair and proportionate in all the circumstances of the case if, in consequence of the College disciplinary procedures, it is determined that the student has committed an offence against the discipline of the College justifying its termination
- The right to occupy College accommodation under this licence may be terminated with 4 weeks' notice in writing if the licensee is in debt to the College and, in accordance with the Standing Orders of the College, it is determined that there are no mitigating circumstances to justify the continued residence of the licensee until the debt is paid or if the licensee is in material breach of any of the terms and conditions set in this document.
