

Peterhouse Subject Access Request Form

You can use this form to request access to the personal information held on you by Peterhouse. Under the General Data Protection Regulation (2018) you have a right to be told whether the College– or someone else on the College's behalf – is processing your personal data and, if so, to be given a description of:

- the personal data held;
- the purposes for which that personal data is being processed;
- those to whom that personal data is being or may be disclosed;
- how long your data is kept

You should describe the information you need as clearly as possible: it is not sufficient to ask for "everything about me". If your request is too broad or unclear, we may need to ask you to be more specific.

In addition, you must also enclose **proof of your identity** – such as a photocopy of a current passport, driving licence, or birth certificate.

The College will handle your request as quickly as possible and at the latest, within one month of receipt. If the request is complex or numerous, the College may need to extend the period of response. In that case, you will be notified of the reason for the delay within one month of receipt of your request.

The College does not charge a fee to provide a copy of your information. However, the College will charge a fee, based on the administrative cost of providing the information, when a request is manifestly unfounded or excessive, or for providing further copies of the same information.

Please return your completed Subject Access Request form and proof of identity to:
