

Amendment to Statutes

The Governing Body held a Statutory meeting under Statute 101 on 6th March 2023 and approved by two-thirds of those present and voting to make the following amendments to The Statutes

Key Changes

1. Article 15 (“Election of Master”) is amended to clarify the period during which an election for a new Master may take place and to confirm that, in circumstances where an election is to take place pursuant to the expiry of a fixed term Term of Appointment (as defined in the Statutes), the relevant period is extended from 180 days to a full year, to permit scope and flexibility for the election and appointment of incoming Masters to be undertaken in a suitably measured manner.
2. Article 22 (“Term of Appointment of Master”) is amended to remove the current upper age limit of individuals holding the office of Master and to clarify the position of extension(s) to Terms of Appointments.
3. A new Statute confirming the date of commencement of the revised Statutes is proposed.

The amended version, with track changes can be viewed on the Peterhouse website under Important Information [here](#);
