About Peterhouse

Peterhouse is the oldest College in Cambridge (founded in 1284) and is also among the smallest (currently 291 undergraduates; 176 postgraduates; 43 Fellows). The College provides accommodation for almost all its Junior Members either on or near the main College site. The College is, therefore, characterised by a greater degree of regular interaction between Senior and Junior Members than is the case in some larger Colleges. It is a vibrant community, with many active clubs and societies, and a strong tradition of table fellowship. Peterhouse is situated in Trumpington Street in Central Cambridge

Background

Catering within Peterhouse is extremely diverse, and covers a range of functions in any one day. In Term we have the service of student meals and Formal Hall, Fellows lunch and dinner, private dinners and lunches, day meetings and conferences. Out of term we have conferences, weddings, summer schools and a range of other external functions. We treat every function, large or small, with the same amount of care and dedication.
