Junior Members' Complaints Procedure

Stage 3 (Formal Process): Application form

Before completing this form, please read the [Junior Members Complaints Procedure:](https://www.pet.cam.ac.uk/student-handbooks-college-regulations-and-procedures)
<https://www.pet.cam.ac.uk/student-handbooks-college-regulations-and-procedures>

The submission of this form and documentary evidence initiates Stage 3, the formal stage, of the Procedure.

Students should exhaust informal routes before making a formal complaint; if they seem not to have been exhausted a formal complaint may be referred back for informal resolution. You should only submit this form if either (i) you are dissatisfied with the way the complaint has been dealt with at informal stages, or (ii) if you believe the substance of the complaint is such that attempted informal resolution is inappropriate. Consequently this form asks for details of the action taken so far to resolve the matter.

You are advised to discuss the written statement of the complaint with an appropriate advisor or Tutor.

Send the form to: The Senior Tutor, Peterhouse, or the Master, The Master's Lodge, Peterhouse (cf Junior Members Complaints Procedure 3.2).

I have read the College's Junior Members Complaints Procedure and confirm that I would like this complaint to be considered under Stage 3 (Formal Process).

I understand that:

- the College may need to handle personal details about me, which could include sensitive information (for example, relating to health matters), in order to deal with my complaint effectively;
- the College may need to exchange information about my complaint with others within the University and with other persons and organisations (for example, to collect relevant information or establish facts relating to my complaint);
- I should inform you immediately if any part of my complaint is being dealt with in a Court or Tribunal, or by another body.

I declare that the information I have given on this form is true, correct and complete, to the best of my knowledge.

Receipt of your complaint will normally be acknowledged within ten working days. The complaint will usually be referred to a Junior Members Complaints Committee. The written statement of complaint may also be referred to any person or University institution concerned, so that they can, if they wish, make a written response, to be considered by the Junior Members' Complaints Committee.

An indicative timetable for the review of the complaint will be drawn up. The timescales involved may depend on the complexity or gravity of the complaint, but in most cases the College would expect that the formal stage of the Junior Members' Complaints Procedure should normally be concluded within about three months or one term of receipt of the complete written statement of complaint.
