Undergraduate Student Handbook (2017/18)

This Undergraduate Student Handbook is intended to provide information for Undergraduate students at Peterhouse: how the Tutorial system works, what you need to know about living in College accommodation and the arrangements for the start and end of Term and vacation residence. It also includes information on College catering, administration and billing procedures.

The Handbook also contains specific information for those students living in College accommodation, including details of the terms and conditions which apply to College accommodation and which will, in conjunction with the Room Licence, govern the occupancy as licensee of all Junior Members.

The Handbook must be read in conjunction with the booklet of College Regulations (CR), issued by the Senior Tutor, as well as the notices circulated and / or posted by other College Officers. Further useful information can be found on the College website, the JCR website, and on the Cambridge students website - <http://www.cambridgestudents.cam.ac.uk>.

This Handbook may be updated from time to time during the academic year. The website will always show the most up-to-date version - <http://www.pet.cam.ac.uk>

Peterhouse is committed to managing its Junior Member accommodation in accordance with the relevant provisions of the *ANUK / Unipol Code of Standards for Larger Residential Developments*. This code establishes a set of management standards for all residential developments managed and controlled by educational establishments and specifies appropriate controls to ensure that the particular needs of students are delivered effectively. The code covers: the allocation of accommodation; information provided prior to the start of the licence agreement; arrangements during the tenancy (including rights and notification of access, repairs and maintenance obligations, provision of information on cleaning, furniture and other facilities, and health and safety matters); and end of tenancy arrangements. This Handbook seeks to provide most of this information in one document so that it is readily accessible to all students in Peterhouse accommodation. You can use the following link to download the code of standards if you wish to see further details:

Section 1 : The Tutorial System (Undergraduates)

This section describes the Tutorial system in Peterhouse and some of the expectations and responsibilities of all participants, namely undergraduates, Tutors and teachers. The Tutorial system works at its best when all parties co-operate in a spirit of mutual respect and of shared responsibilities.

The Senior Tutor is ultimately responsible for operation of the system. Those involved are the College's Tutors, its Directors of Studies, its Supervisors and its undergraduates. The Senior Tutor has her own Tutorial pupils, for whom she is directly responsible, but any undergraduate of the College may consult the Senior Tutor. The Senior Tutor will also deal with any issues or concerns that any undergraduates do not feel able to put to their own Tutor or Director of Studies.

The Tutors

The Tutors have general oversight of all aspects of the life of undergraduates in their charge from admission to the College until graduation. Indeed for so long as they are Fellows of the College they may be expected to have residual obligations to their pupils. They are responsible for their well-being, academic, social and financial. The Tutors mediate between the College and the undergraduates and between the University and the undergraduates. Through the Senior Tutor they advise the College's Governing Body on Tutorial business. Each Tutor is allocated a number of undergraduates in a range of Triposes; and for these pupils that Tutor is specifically responsible. Tutors are regularly in discussion with the Senior Tutor, the other Tutors and the Directors of Studies so as to ensure a common Tutorial policy, practice and mutual support. Each Tutor does, however, maintain confidentiality about individual pupils.

Undergraduates may expect the following from a Tutor:

- (i) a supportive and constructive adviser on academic, financial and social concerns;
- (ii) a first guide in the case of serious personal problems or concerns (for example: stress, fear of failure, loneliness, eating disorders, bereavement, relationship breakdowns);
- (iii) an intermediary between the undergraduate and the University authorities, and also the University bodies whose concern is for undergraduate welfare, e.g. the University Counselling Service, and with medical advisers;
- (iv) a broker, where appropriate and within the bounds of confidentiality, between undergraduates and others concerned with their well-being (for example: family, sponsoring bodies) and also the Student Loans Company;
- (v) a mediator of sensitive comment from and on the undergraduate and from and on those responsible for teaching and for progress generally, including the Director of Studies;
- (vi) a consultant on changing Tripos, withdrawing, gaining exceptional permission to go out of residence ('intermitting'), the conduct of examinations (including applications to sit examinations in College or with extra time), complaints and appeals, and any matter in this area relating to disability (including dyslexia) or illness;
- (vii) a referee for applications for funding, for further education and for employment even beyond graduation.

The Tutors provide comprehensive support and guidance to the individuals in their care: it is not, for this reason, feasible here to provide an exhaustive list of their responsibilities.

Each weekday in term-time the Tutors each have regular Tutorial Hours: undergraduates are encouraged to visit them in person with their Tutorial business during those hours. In an emergency a Tutor may be contacted through the duty Porter.

All Tutors may be contacted by post via the Porters or by e-mail through the College web site, but most things are, initially at least, best dealt with by a personal visit. It is reasonable to expect a Tutor to reply to a letter or e-mail within seven days.

Undergraduates are assigned to their own Tutor, but they may, if they feel that it would be helpful, raise an issue or concern with another of the Tutors. There are currently two men and two women Tutors. Undergraduates should also note that guidance on some, usually other than academic, matters may be sought from the Dean or Chaplain.

Undergraduates are expected to:

- (i) communicate as appropriate with their Tutor, and at a minimum ensure that they see their Tutor as required during Full Term at appointments made by the Tutor;
- (ii) visit their Tutor if summoned: Tutors do not summon undergraduates unless there is a substantial reason;
- (iii) check their pigeonholes in the Porter's Lodge and their e-mail regularly (at least every two days) for messages from Tutors and those who provide administrative assistance to the Tutors, namely the Tutorial Office Manager and the staff of the Tutorial Office;
- (iv) inform their Tutor as soon as practicable of any academic, financial or social concerns or difficulties. In some, but by no means all, cases these may also have been raised with a Director of Studies
- (v) ensure that their requests are reasonable. Tutors will always act swiftly in an emergency; but in other instances it is sensible and just that they be given reasonable notice of requests. For example, if a Tutor is asked to write a reference it is reasonable to make that request well in advance of a deadline;
- (vi) remember that the relationship with a Tutor is one based on honesty and mutual respect: it is dependent on co-operation and trust.

Directors of Studies

Directors of Studies are responsible for advising and directing undergraduates on their academic work. They are responsible for engaging supervisors on behalf of the College and for exercising a general oversight of teaching and learning in their Tripos subject and for giving general advice on it. They communicate with the Senior Tutor and Tutors, as appropriate, about the progress of undergraduates, in particular about any difficulties that affect an undergraduate's academic performance.

Directors of Studies are also requested to provide brief reviews of graduate applications in their subject area in order to help inform the graduate admissions process.

Undergraduates may expect Directors of Studies to provide the following:

- (i) advice on the planning and progress of their academic work and, where necessary, regular review of that work. Practice varies in this: some Directors of Studies have regular weekly hours in term when they may be consulted; but all may be contacted by post via the Porters, or by e-mail through the College website. It is reasonable to expect a reply to any e-mail within seven days;
- (ii) up-to-date and accurate advice and guidance on courses and papers, including making undergraduates aware of any Faculty or Departmental handbooks or similar, guidelines or web-sites, checking their examination entries, informing of and interpreting examination marks, organising College examinations where appropriate, advising on possible graduate courses and assessing any undergraduate who is considering asking to change into their Tripos;
- (iii) a meeting with their Director of Studies at the beginning of the academic year in order to discuss the undergraduate's plan of study, to arrange supervisions, and to be advised on their progress;
- (iv) an individual consultation with their Director of Studies at the end of each Full Term, in order to review the Term's work in the light of supervision reports, and advise on work to be undertaken during the forthcoming vacation;
- (v) an appropriate response to information from undergraduates about the quality of supervision provided to them by each supervisor;
- (vi) recommendations to the College's Ward Librarian on purchases for their subject;
- (vii) references on behalf of undergraduates.

Undergraduates are expected to:

- (i) communicate as appropriate with their Director of Studies, and keep agreed appointments: if they miss such a meeting without a reason that is found acceptable by their Tutor they may expect to be fined by their Tutor;
- (ii) check their pigeon-holes and e-mail at least every two days for messages from their Director of Studies or the staff of the Tutorial Office and to respond to such messages promptly;
- (iii) inform their Director of Studies as soon as practicable of any academic concerns or difficulties. In some, but by no means all, cases these may also have been raised with a Tutor;
- (iv) notify the Director of Studies as soon as practicable of concerns about a supervisor, a course of supervisions, or the arrangement of supervisions. These concerns may also be raised with a Tutor, but for practical issues the Director of Studies is best placed to take action;
- (v) keep up to date with relevant information about their course provided by the College or the University through handbooks or similar, course-guides or on a web-site;
- (vi) suggest acquisitions for the College Library by filling in the *Book Request Form* in the Ward Library or through the Ward Library web site;
- (vii) ensure that their requests are reasonable: it is sensible and just that Directors of Studies be given reasonable notice of requests. For example, if a Director of Studies is asked to write a reference it is reasonable to make that request well in advance of a deadline;
- (viii) remember that the relationship with a Director of Studies is a mutual one: it is the undergraduates' responsibility to ensure that they organise their time and commitments so as to give clear priority to their academic work and that they have made every effort to complete to the best of their ability the work, essays, problems, projects, as agreed and advised by their Director of Studies.

Supervisors

The supervisor is engaged for the College by a Director of Studies in order to offer, for a course or paper, appropriate specialised teaching to complement that offered by the University.

Supervisions are the fundamental educational provision of the colleges in Cambridge: they offer a medium through which undergraduates learn to work independently, to learn with and from others, to present, defend and concede arguments, to handle problems, to question their own assumptions, and to meet deadlines.

Undergraduates may expect the following from supervisors:

- (i) a full hour of supervision unless agreed otherwise by the Director of Studies;
- (ii) a reasonably sized group for supervisions in which they have the opportunity to participate fully;
- (iii) guidance about how best to prepare for supervisions, examinations and assessed work;
- (iv) assignment of reasonable amounts of work, neither excessive nor minimal, and to receive constructive comment on them;
- (v) marking and assessment of their work with advice for improvement;
- (vi) content that is relevant to the course and helps understanding of the subject with constructive comment and discussion of their questions and problems;
- (vii) respect for their opinions;
- (viii) opportunity to discuss in privacy and in confidence any problems they perceive in the quality, relevance, or dynamics of the supervisions that they are receiving.

Undergraduates themselves are expected to:

- (i) complete the work set to the very best of their ability;
- (ii) deliver work on time after ensuring that they have agreed a deadline with the supervisor;
- (iii) present themselves punctually for every supervision;
- (iv) contribute actively to the supervision and make their opinions known;
- (v) contact the supervisor in plenty of time if they are unable to be present for the supervision or to complete the work set;
- (vi) be charged and fined by their Tutor if they miss a supervision without a reason that is found acceptable by their Tutor, who will consult their Director of Studies;
- (vii) remember that the relationship with a supervisor is a mutual one: it is the undergraduates' responsibility to ensure that they organise their time and commitments to give clear priority to academic work and that they have made every reasonable effort to complete to the best of their ability the work or project as agreed and advised by their supervisor.

The strength of the Tutorial system in the College lies in its interlinked structure whereby a range of constructive possibilities exist for dealing with any difficulties that may arise. Thus a query about a course or paper is often best addressed in the first instance to a supervisor; discussion of broader questions of academic progress are normally best raised in the first instance with the Director of Studies; other matters of concern, some of them not directly academic, are usually best discussed with the Tutor. Sometimes, however, a different approach suggests itself and the Tutorial system has flexibility.

The College adheres to the descriptions of the rôles and functions of [Tutors](#) and [Directors of Studies](#) set out on the Senior Tutors Committee website.

Section 2 : Accommodation

Accommodation Provision and Allocation

All undergraduates are expected to live in College accommodation. The College is normally able to accommodate all undergraduates for the duration of their course. Any undergraduate who wishes to live out of College accommodation should consult their Tutor in the first instance.

Due to the historic nature of many of the College's buildings, accommodation for Junior Members who are married and/or have children is limited. The College has a small number of rooms which have been specially adapted for use by disabled students.

In their first year, **undergraduates** are usually housed together in St Peter's Terrace and the William Stone Building. New students will, prior to their arrival, be asked to indicate any special requirements and to state a preferred accommodation price band. The College allocates rooms once places have been confirmed in August, following the preferences where possible, whilst working within the constraints of the available room stock.

The allocation of rooms for undergraduates in their second and subsequent years is effected by means of a ballot organised in the Summer vacation by the JCR Rooms Committee.

Changing rooms mid-year is actively discouraged because of the additional burden it places on the College's housekeeping and administration.

The College reserves the right to require the occupier to move to similar accommodation at any time at the College's absolute discretion.

Licence Periods

Undergraduate rooms are allocated on one of three licences :

- Standard licence – three fixed term periods of 10 weeks for the Michaelmas, Lent and Easter Terms;
- Full Academic Year Extended Licence – in selected properties only, allowing students to retain their room from the start of the Michaelmas Term licence period to the end of the Easter Term licence period, including vacations;
- Freshers' Licence – a 9 week licence for the Michaelmas Term from the Saturday prior to the start of Full Term to the Saturday after the end of Full Term, and two fixed term periods of 10 weeks for the Lent and Easter Terms.

Students will be deemed to have accepted the Terms and Conditions of their Licence when they take possession of the keys to the room listed on the Licence.

Students wishing to be in residence outside of the licence periods should refer to the section on Vacation Residence on page 10 of this Handbook.

Charges for Accommodation

Accommodation, catering and other charges, are reviewed each year by the College's Finance Committee, in consultation with the Co-ordinating Committee which includes both graduate and undergraduate representatives. The Finance Committee recommendations are finally approved by the Governing Body. It is intended that these charges should remain in force for a full academic year before being reviewed again, but Junior Members should be aware that, in exceptional circumstances, interim increases or surcharges may be necessary. The College is not seeking to make a profit from Junior Members, and believes that its charges are, and should remain, highly competitive when compared to rents at other Colleges.

Rents are fixed taking into account the size and location of the room, and other facilities and features.

Undergraduate Rents

Undergraduates are charged for rent on a termly basis, in advance, via their College account. Charges for additional days of residence or for damage caused, if any, are added to their College Bill for the following term.

Undergraduate rents include a charge for network connection and a contribution towards the cost of background heating and hot water. Electricity is recharged termly at rates which reflect a proportion of the actual cost to the College.

Caution Money

All undergraduates are charged £100 caution money on their first College Bill. This amount will be credited against their final College Bill, less any deductions for fines or outstanding charges.

Interest will not be paid on these sums while they are held by the College.

Section 3 : Accommodation Facilities

Furniture and Fittings

The College Housekeeper is responsible for the furniture and fittings provided within the College's accommodation and any queries in regard to furnishings should be directed to her.

All College bedrooms, where space allows, are furnished with a single bed and mattress, bedside table, desk, desk chair, reading lamp, waste-bin, bookcase, armchair, wardrobe and chest-of-drawers.

The College does not provide pillows, bed linen, duvets or blankets, or crockery / cutlery for personal use.

No large or bulky items of furniture, including pianos, may be brought into College accommodation without permission; application should be made ***in advance*** to the Housekeeper. Junior Members will be required to remove any unauthorised furniture.

Furniture must not be removed from rooms and placed on landings or elsewhere in the common parts, or transferred to other rooms.

The College aims to maintain the decoration and furnishings of its accommodation to a high standard, with rooms regularly inspected and refurbished. This is important not only for the enjoyment of current and future Junior Members, but also for conference visitors who use undergraduate rooms during the vacations (thereby significantly subsidising rents).

The occupants of all College rooms will be held personally responsible for any damage caused to the decoration and furnishings of their rooms, making allowance for reasonable wear and tear. In particular the use of pins, blu-tack, sticky tape or similar fixatives to attach articles to the walls or windows is strictly forbidden. Those who mark walls in this way risk incurring a substantial charge for the redecoration of the entire wall(s). Junior Members should contact fixit@pet.cam.ac.uk to have hooks fixed onto walls if they wish to hang pictures and posters where there is no picture rail. Similarly damage to carpets caused by burns or spillage is likely to result in the occupant being charged the cost of re-carpeting the entire room.

Occupants will also be charged the actual cost of clearing any blocked sink or WC for which they are responsible. Junior Members are reminded that paper hand towels should not be flushed down the toilets, as this is a frequent cause of blockages. Charges may be levied against all occupants of a staircase or house where the culprit(s) are not readily identifiable.

College Network

All College rooms have an Internet connection through the College's own network on the main College site. Use and maintenance of a computer connected via the College network is at the Junior Member's own risk and carries a responsibility to observe the relevant College and University rules and regulations. Further information can be found on the College website (<http://www.pet.cam.ac.uk/computing>).

All computing and network related issues should be reported to helpdesk@pet.cam.ac.uk.

Televisions

Junior Members are required by law to hold their own valid television licences for any television receiver brought into College accommodation, including the use of computers to watch broadcast programmes. TV licensing authorities make checks on a regular basis and Junior Members are personally liable for any fines imposed. Further information may be obtained from www.tv-l.co.uk. No aerials or similar devices may be installed outside rooms.

Kitchen Facilities

All undergraduate accommodation offers limited kitchen facilities known as ‘gyps’. These are equipped with fridges, microwaves, kettles, toasters and sandwich-makers, and ***are intended for the preparation of hot drinks and snacks only***. The College Kitchens offer a comprehensive catering service during term-time and Junior Members are encouraged to make use of this service.

When preparing drinks or snacks, Junior Members should be considerate to others in the hostel or staircase and clean up promptly after themselves. In particular, it is not permitted to prepare hot meals between the hours of midnight and 6am. If a junior member acts in breach of this rule, and causes a fire alarm as a consequence, a charge of £50 will be added to their College Bill.

Operating instructions for the equipment provided are displayed in the individual kitchens. Further copies are available from the Maintenance Department.

Laundry Facilities

Coin-operated washing machines and clothes dryers can be found in the main laundry below Fen Court and in 35 and 39 Trumpington Street.

Junior Members are requested not to leave items of clothing in laundry areas: unclaimed items will be disposed of after the end of each term.

Junior Members should report any faulty laundry equipment to the Porter’s Lodge, who will contact the service providers (plodge@pet.cam.ac.uk).

Saffron Walden Laundry is appointed by the College to provide a laundry service for Junior Members. Collections are made on Mondays and Thursdays in full term (for laundry parcels left in the Porter’s Lodge by 8.30am), with deliveries one week later. Any losses or damage should be reported to the laundry company immediately. Laundry bills are recharged to students on a termly basis via their College account.

Section 4 : Undergraduate Accommodation Procedures

Start and End of Term Procedures

Undergraduates are permitted into residence **from 12 noon** on the first day of the Licence period, and should vacate their room **by 10 am** on the last day of the Licence period, unless otherwise advised. Keys should be collected from and returned to the Porter's Lodge and should not be retained over the vacation.

Undergraduates are required to sign in to the Redit book held at the Porter's Lodge at the start of each term and to sign out at the end of term. This registration is important to confirm:

- that term has been kept (required by the University before a degree can be awarded)
- where additional rent is due for stays beyond the period of residence

Standard Licence and 1st Year Licence

The **Standard licence** entitles Undergraduates to ten weeks' accommodation (70 nights) for each term for fixed periods, as set out on the licence agreement. **Freshers** have a similar licence, with the same licence dates for the Lent and Easter Terms, but a reduced period of nine weeks (63 nights) in the Michaelmas Term, so that the College can provide accommodation for interview candidates in December.

Refunds are not normally given for occupancy of fewer nights than the licence period, unless the College requests undergraduates to vacate their rooms early for any reason.

Undergraduates on Standard and 1st Year Licences who wish to be in residence outside of the fixed licence periods are required to obtain permission from the Senior Tutor in advance – see the paragraphs below on Extension of Room Licence and Vacation Residence. Any additional days are charged at a fixed daily rate, currently set at £15.40.

Extension of Room Licence Within the University Term Dates

For students on Standard or 1st year Undergraduate licences, application must be made on the Vacation Residence form (see next page) to extend their stay at either end of the licence period, even if still within the University Term. Any period of extended residence requires the permission of the Senior Tutor. Grants are available to cover the additional rent where necessary - applications should be made to the Senior Tutor at the start of the Term following the relevant vacation.

Such stays within the University Term are included within "keeping term" dates and are recorded in the Redit book when you sign in on arrival or out on departure. It is not guaranteed that you will be able to stay in your own room for stays outside of the licence period, especially if you are in one of the en-suite rooms used by Conference guests, or in the Freshers' rooms in SPT and WSB, which are often used for Admissions events.

Full Academic Year Extended Licence

Undergraduates who have opted for the full academic year extended licence are entitled to occupy their room from the start of the licence period in the Michaelmas Term to the end of the licence period in the Easter Term. There is no requirement to apply for permission to remain in residence during the vacations, but it is essential to sign in and out of term in order to provide evidence of keeping term.

The College reserves the right, in exceptional circumstances, to request an Undergraduate on an extended licence to move rooms during the vacation. In such an event, the College will provide suitable alternative accommodation and storage facilities.

Vacation Residence

The Tutorial Office puts Vacation Residence forms onto the College website in advance of each vacation. Junior Members wishing to apply for residence, either as an extension of their room licence within the University Term dates, or for vacation residence, should complete and submit the Vacation Residence form by the deadline date indicated on the form. Applications received after the deadline may not be approved.

International students who do not have a home in the UK only require the permission of the Senior Tutor. All other students requesting vacation residence (ie. outside of the University Term dates) should obtain approval from their Director of Studies prior to submitting the application form. If you only wish to extend your room licence within the University Term dates and not stay during the vacation, you only need permission from the Senior Tutor.

Students granted permission to remain in residence during the University vacations are required to sign out of the Redit book at the end of the University Term and to sign into Vacation Residence at the Porter's Lodge. At the end of the Vacation, they must then sign out of Vacation Residence and into Term, otherwise they will not be considered to be "keeping term".

It is often not possible to accommodate students in their own room if the rooms are needed for Conference guests or other visitors. When an alternative room is provided, students are requested to move rooms on the dates advised so that rooms can be prepared for the new occupants. Junior Members are not permitted to use gyp-room and bathroom facilities in College or in hostels occupied by conferences. The facilities of the premises allocated for vacation residence should be used.

Clearing Rooms at the end of each Licence Period

At the end of each licence period, undergraduates are required to remove all personal belongings from their rooms. Failure to do so may result in rent continuing to be charged for the room at the fixed daily rate above; alternatively the College may remove items to store – entirely at the owner's risk -- and levy a storage charge. Undergraduates must also clear their gyp rooms (cupboards and fridges) and bathrooms: any items left behind will be disposed of.

Storage

There are very limited facilities within the College for storing personal possessions during vacations. There are Junior Members' luggage stores in the basements of Fen Court and the Little St Mary's Hostel which are under the control of the JCR and mainly reserved for international students. Junior Members should approach the relevant JCR committee member to discuss use of these stores.

Undergraduates wishing to leave possessions within their own rooms during vacations must seek permission from the Senior Tutor. This is likely to be limited to 1 or 2 small boxes stored appropriately, allowing full access to the Housekeeping staff for thorough cleaning of the room.

Students leaving any items in the luggage stores or in their own room do so at their own risk; the College will not accept responsibility for damage, accident or loss.

No storage is allowed for Junior Members after completion of their studies.

Those seeking alternative, cheaper storage facilities should contact the various commercial storage companies which operate in Cambridge.

Notice to Vacate Accommodation

Undergraduates wishing to give up their College accommodation, other than at the end of an academic year, are required to give three months' notice in writing.

Section 5 : College Catering

Servery

Junior Members will only be served breakfast, lunch or dinner in Hall on presentation of a valid means of payment. Payment for meals and drinks can be made by using either a University Multipurpose Security Card, or the Upay QR code on a mobile phone. Meal prices are variable, dependent on individual choice of dishes, with prices set at levels which attempt to ensure that food costs are covered overall. Prices may move throughout the year in line with market / manufacturers' movements.

The card or QR code should be presented to the member of College staff at the till in the Servery for scanning. The cost of the meal will automatically be deducted from the balance held on the individual's Upay account (see page 14). Guests may be taken into breakfast, luncheon and self-service dinner without being pre-booked. Meals taken by Junior Members' guests can be deducted from the host's UPay account and will be subject to an additional guest charge.

Junior Members are asked to take their trays back to the trolley provided for that purpose after breakfast, luncheon and self-service dinner.

Formal Hall

Formal Hall is available every evening during Full Term, unless prior warning of closure has been given. Tickets for Formal Hall must be booked in advance and are available online (see UpayChilli below). Formal Hall costs £6.50 and the charge is deducted from the balance held on the individual's U-pay account. Bookings may be made up to three weeks in advance but will be closed by 1.30pm on the day (1.30pm on Saturday for Sunday evenings) so that final numbers are available to the Catering staff. The online booking system allows the ordering of special meals for dietary requirements.

Guests in Formal Hall

Guest tickets are also available to purchase online, with a £2 guest charge, but are subject to VAT, and dietary requirements must be indicated in advance. Junior Members can purchase a maximum of six guest tickets for a single Formal Hall and are expected to be present in Hall for the duration of dinner in order to host their guests. Larger numbers (up to twelve guests) require the permission of the Senior Tutor in the form of a group dining permit. Dining permits may be obtained by e-mail from the Manciple or Catering Manager: catering@pet.cam.ac.uk

Wine in Formal Hall

Junior Members are permitted to bring wine into Formal Hall. This may be purchased from the College Bar. If wine bought externally is taken into Hall, a corkage fee of £1.50 per bottle is payable in the College Bar. Dated receipts will be issued for corkage fees paid. Spirits and liqueurs are not permitted in Formal Hall.

Super-Halls

From time to time the Catering department organise Super-halls, in place of Formal Hall. Bookings for these events should also be made online, where details of the menu and booking procedure (including maximum guest numbers) can be found. The price of tickets for these special events will be indicated on the booking information.

Allergies and special dietary requirements

If you require an alternative meal to the one on offer, owing to a special dietary or religious requirement, please indicate your requirement when making your online Formal Hall booking. If you suffer from particular food allergies, you must inform the Catering Manager, your Tutor and the Nurse, and seek advice as necessary from the service staff on duty.

Lost University Multipurpose Security Cards

Lost cards should be reported immediately to the Duty Porter and a replacement should be ordered via the Computer Office. The University Card Office levies an administration charge for the replacement of lost or stolen cards.

College Bar

The College Bar is normally open during term-time from 7pm to 11pm each day. During the Michaelmas and Lent Terms, the Bar will remain open until 12 midnight on Fridays and Saturdays.

Any changes to these opening hours will be notified in advance of each term.

Items purchased in the Bar may be charged via the University Multipurpose Security Card or the Upay QR code to an individual's Upay account or paid in cash. Credit/Debit card payments are not accepted.

Online Booking - UpayChilli

UpayChilli is the online system for booking tickets for Formal Hall, Super-halls and Society functions and enabling the purchase of meals, drinks and snacks in the Served and College Bar using the University Multipurpose Security Card.

Each student will need to have a UpayChilli account. Returning Undergraduates will continue to use the account they have set up previously but all Freshers will need to register to set up their UpayChilli account. Once set up, the account will work throughout the years you are a student in the University, ie. while you are holding an active University card.

Once the account is set up, you will be able to book tickets, check the balance on your account and see or print off a statement of your purchases. You will also be able to top-up your account in order to continue to make purchases (see below).

To set up a UpayChilli account

Go to www.upaychilli.com to sign up. You will need to register for a UpayChilli account. The Company Affiliate ID is: PETERHOUSE
Your User ID is : your CRSid (the first part of your @cam e-mail address eg. aaa12)
You do not need to enter a card number

Once you have set up your account, you will be able to access it either via the website, or via the UpayChilli mobile phone app.

Further information, including where to download the app for your mobile phone, is provided on the website.

Pre-paid Top-up System (Important change from Lent Term 2018)

From the start of the 2017/18 academic year the College is moving to a pre-paid top-up system for all students. **At the start of each term (with effect from the Lent Term 2018) your Upay account will be credited with an amount equal to the minimum spend requirement (currently £98) and this amount will be charged to the College bill issued at the start of term.**

You can add money to top-up your account on the Upay Chilli website, using a debit or credit card.

Select either:

- Auto top-up : specify an amount to add automatically when your balance is low;
- Manual top-up : get an alert (sms, email) when your balance is low to remind you to top-up.

Guest top-up allows a third party (such as a parent) to add money direct to your account. They just need to know your CRSid., eg. xyz123. They do not have access to your expenditure.

Refund of balances held at the end of the course

If you have any money left on your UpayChilli account when you have completed your course at Peterhouse you are able to close your account and request a refund of the outstanding amount to the debit/credit card you have previously used to top-up. This refund is limited to £20. In the unlikely event that you have more than £20 on your account when you leave, you will need to contact the Finance Office at studentbills@pet.cam.ac.uk to request a refund. **Please see note below, in Section 6, regarding the Minimum Spend Requirement.**

Booking Function tickets

Formal Hall tickets can only be purchased via your UpayChilli account.

- Log in to your account
- Select Events
- Select particular function eg. Formal Hall 10th October (details of the menu will be available)
- Choose number of tickets (max 7 = 1 for you plus up to 6 guests)
- Add guest names
- Event Options – add in special requirements, eg. dietary/allergy requirements or preferred seating arrangements
- Place booking
- You will receive an e-mail confirmation of the booking made
- If you wish to edit or cancel your booking this can be done up to the booking deadline
- It is essential that you present your University card to the member of staff on duty when attending the function booked so that you are checked in

Section 6 : Catering Charges - Undergraduates

Undergraduates pay a Kitchen Fixed Charge (KFC), currently set at £184.35 per term, as a contribution towards the College's fixed costs of providing a catering service.

In addition, undergraduates are required to **spend a minimum of £98 per term – the Minimum Spend Requirement. Therefore each term your College bill will be charged with an amount of £98 and your UpayChilli account will be credited with the same amount. This amount can then be spent as desired.**

If, at the end of this academic year, you have not spent the equivalent of two terms' minimum spend (Lent & Easter Term - £196) any underspend will be deducted from the balance held on the UpayChilli account before a refund can be made.

Exemption from Catering Charges

In very exceptional circumstances, exemptions from catering charges may be granted to Junior Members whose special needs cannot be catered for by the College Kitchens, eg. on the grounds of religion or extreme food allergy, at the Senior Tutor's discretion. Junior Members should note that the Finance Office will require written confirmation from the Tutorial Office before any charges can be waived. Where students obtain an exemption from paying the Kitchen Fixed Charge, any catering costs incurred will be subject to an additional guest charge (currently 30%).

Section 7 : College Bills

College Bills are issued termly for all Junior Members. Bills will include charges in advance for termly room rental and charges in arrears for vacation residence charges, library fines etc. If you are responsible for paying Tuition fees these will be included on your Michaelmas and Lent Term bills – see below.

College Bills are issued in accordance with the following timetable:

September/October	-	Prepayment MT rent bills and Upay first credit (£50)
December/January	-	Michaelmas Term bills
April	-	Lent Term bills
Early June	-	Easter Term bills for graduands *
July	-	Easter Term bills for other Undergraduates

Bills are e-mailed to students' Cambridge e-mail accounts as soon as possible after the end of each term and must be settled in full no later than thirty days from their date of issue. Late payment may attract an administration charge of £25 and interest at the rate of 0.25% per week.

* Junior Members cannot proceed to their degrees until all bills have been settled and therefore Easter Term bills are issued early in June to those undergraduates expected to proceed to General Admission. See further CR xxvi.

Junior Members with queries in relation to their College Bills should consult the Fees and Billing Supervisor in the Finance Office without delay at studentbills@pet.cam.ac.uk

In order to avoid interest charges, those items which are not in dispute should be paid by the due date.

Tuition Fees

Michaelmas and Lent Term College bills will also include any tuition fees payable by Junior Members. Queries should be directed to the Fees and Billing Supervisor as above.

Student Loans Company (SLC)

Home and EU students wishing to take up Tuition Fee and/or Maintenance loans must make an application to the relevant office [Student Finance for England, Wales and EU students, Student Awards Agency for Scotland (SAAS), Student Finance NI for Northern Ireland] for each year of their course. Each office sets its own deadlines for applications to ensure that loans are processed in time for the start of term.

All Junior Members who have applied for financial support from Student Finance, or the equivalent regional office, must provide a copy of their SLC form to the Finance Office **in person and show a valid ID** in October each year.

This form provides evidence of the amount of Tuition Fee and/or Maintenance Loans due and is required before your attendance can be confirmed to the SLC, thus releasing both the fee and maintenance loan payments. Failure to hand in a copy of this form will result in delays in you receiving your maintenance loan, and the College receiving your tuition fees. The College will invoice you for any tuition fees unpaid by the SLC due to non-confirmation of attendance.

Payment of College Bills

Junior Members are expected to settle their College bills by direct bank transfer (quoting their College Account number and name as a reference) to the College's Barclays Bank Account:

Account name:	Bursar of Peterhouse
Sort Code:	20-17-68
Account number:	50717673
IBAN:	GB15 BARC 2017 6850 7176 73
Swift Code:	BARCGB22

A Junior member is required to clear the balance on their College bill at the end of each academic year. If there is still a balance outstanding at the start of the following academic year, the student will not normally be allowed into residence, nor allowed to use the College's catering facilities. In addition to this, a Junior member who returns to residence but persistently withholds such payments may be required to go out of residence.

If a Junior Member leaves Peterhouse and still owes the College money, the outstanding debts may be passed to a commercial debt collection agency.

Junior Members who are experiencing financial difficulties should contact their Tutor without delay.

Students' Bank Details

Payments can be made direct to students' bank accounts via the individual's College account. This facilitates the payment of grants, reimbursement of expenses incurred on behalf of College societies and the refund of any credit balances or deposits at the end of the course. We therefore need to record the bank details for each student against their College account. If you have not already provided your bank details and would prefer for any payments to be made by bank transfer rather than by cheque, please contact the Finance Office for the appropriate form.

Section 8 : Housekeeping

The Housekeeper, reporting to the Senior Bursar, is responsible for the cleaning of all College accommodation, both rooms and communal areas, deploying as appropriate members of her internal team of bedmakers (known as 'bedders') and janitors or approved external contractors.

Requests for service should be addressed to the Housekeeper via: fixit@pet.cam.ac.uk.

Cleaning of Undergraduate Rooms

All undergraduate rooms will be entered daily, Monday to Friday (except Bank Holidays), in order that waste-bins should be emptied. Undergraduates can expect to have their rooms cleaned at least fortnightly. This will include vacuum cleaning, dusting and polishing, and cleaning any wash-basin or en-suite facilities.

This activity will normally take place in the morning and undergraduates are required to allow bedders access to their room at the appropriate times. Undergraduates must also keep their rooms in a reasonably tidy state such that the bedders can do their job properly, without the need to clear floors or other surfaces.

Undergraduate gyms are cleaned daily (as above), with rubbish removed and sink / work surfaces cleaned and sterilised. Undergraduates should note that they are responsible for their own washing-up. Floors are washed and fridges, microwaves and other equipment cleaned on a weekly basis. Undergraduates are expected to leave gyms in a clean and tidy condition.

Communal bath / shower-rooms and toilets are cleaned and sterilised daily (as above). Staircases and landings are cleaned once a week.

Recycling

The College is committed to working with Cambridge City Council to recycle as much waste as possible. Mixed recycling bins are available by the William Stone Building and the Hostel.

The recycling bins are clearly labelled and Junior Members are asked to ensure that they follow the disposal guidelines indicated. A second, recycling waste-bin is available on request from the Housekeeper to assist Junior Members with their recycling.

Those Junior Members living in houses away from the main site can find details of Cambridge City Council's recycling guidelines and collection arrangements via the website link (www.cambridge.gov.uk).

Section 9 : Maintenance

The Clerk of Works, reporting to the Senior Bursar, is responsible for the maintenance and repair of all College accommodation, deploying as appropriate members of his internal maintenance team or approved external contractors.

In the event of an emergency, such as a burst water-pipe or gas leak, Junior Members should contact the Porter's Lodge without delay. All other requests for repairs or assistance should be made via: fixit@pet.cam.ac.uk. The maintenance administrator will issue an acknowledgement and agree a mutually convenient time for the works to be carried out.

Response Times

Target response times for repairs are as follows:

- Emergency -- during working hours: immediate;
-- out-of-hours: within two hours;
- Urgent – same day;
- Non-urgent – within 28 days;

If these response times cannot be met, the student making the request will be notified.

In the event of icy conditions or heavy snow-fall, remedial clearance activities will take top priority.

Planned Maintenance

All planned maintenance works and servicing of equipment will be undertaken in such a way as to minimise inconvenience to residents. Under normal circumstances, the Maintenance department will aim to give a minimum of 24 hours notice to all occupants of a house or staircase and will avoid scheduling work during examination periods.

The College grounds are cleared of litter on a weekly basis during full term. Students should ensure that their litter – and that of their guests – is disposed of correctly.

All gas appliances are serviced annually by a GAS SAFE registered engineer.

Section 10 : Heating

Central heating is normally supplied to all College rooms from early in the Michaelmas Term to the end of the Lent Term. If conditions are very cold before or after these dates, the heating will be adjusted accordingly. Heating systems are timed to come on daily from 6am to noon and from 2pm to midnight. Occupants are encouraged to help save energy and costs by keeping windows closed in cold weather and by using thermostatic radiator valves where these are fitted.

For those requiring additional heating, electric convector heaters can be booked out from the Porter's Lodge or Maintenance Department. Junior Members should note that such heaters are expensive to run and are an inefficient way to heat a room and wherever possible, the main central heating should be used in preference to electric heaters. Heaters should not be left on in empty rooms and should be returned at the end of each term.

Only heaters supplied by the College and tested for safety are allowed in student rooms. Heaters must not be used for drying clothes etc.

Energy Efficiency

Junior Members are urged to be energy conscious, switching off lights and any electrical appliances, including computers, when leaving their rooms or overnight. Windows should be kept closed in cold weather and thermostatic radiator controls used to regulate room temperatures.

Section 11 : Health and Safety

The College aims to maintain the highest standards of Health & Safety and has a variety of policies and procedures in place to minimise the risks to its members, staff and visitors.

Junior Members are reminded however that the College site consists mostly of historic, listed buildings and consequently has features which can be hazardous if not approached with due care and attention: in particular, stone courts are uneven and can be slippery when wet; some staircases are steep; and some ceilings and doorways (particularly those leading to the Screens Passage) are surprisingly low.

Access to certain areas of the College is prohibited to Junior Members for Health & Safety reasons. These include all roof spaces, maintenance services areas, construction sites and any other part of College property where access would clearly be a danger to the Health & Safety of themselves or others. Junior Members have a duty to report any accident, or any unusual circumstance or hazard which might endanger the safety of themselves or others.

Accident Procedures

In the event of an accident on College premises you must inform the Porter's Lodge immediately. Arrangements will be made for any appropriate treatment including, if necessary, transfer to hospital. In due course an accident form should be completed, giving full details of the incident and the names of any witnesses. Accident forms are available from the Porter's Lodge and the HR Manager's Office in K1.

In the event of a serious accident or medical emergency, Junior Members should dial 999 to summon an ambulance and then *immediately* inform the Porter's Lodge that a 999 call has been made by telephoning (01223) 338200. There is a Porter on duty at all times, day and night.

First Aid Provision

A number of First Aid boxes are situated throughout the College and Junior Members should ensure that they are aware of the location of their nearest box. These boxes are for use *only* in emergencies. A list of qualified First Aiders and their contact details is attached to each box and also held by the Porters. All Porters are qualified First Aiders.

For general procedures in the event of illness, see further CR xxiii.

Section 12 : Fire Safety

Prevention of Fire

It is the duty of all College members, staff and visitors to prevent fire. While the College has a number of policies and procedures in place to minimise the risks, individuals must also be aware of the potential dangers. In particular:

- Cooking in Junior Members' rooms is absolutely forbidden. Electrical cooking equipment is banned from rooms, as are fridges (unless permission has been given on medical grounds) and freezers.
- The use of frying-pans and woks in gyms or kitchens is prohibited.
- The use of any mains-powered electrical equipment in College accommodation is permitted only if the Clerk of Works is satisfied that it will not overload the electrical system or otherwise constitute a safety hazard. Junior Members intending to bring up unusual items with heavy current consumption are strongly advised to consult the Maintenance Department *in advance*.
- All electrical appliances brought into College accommodation by Junior Members must be tested for safety by a registered electrical contractor, with a PAT Certificate issued and the item labelled as being safe for use. Junior Members may arrange for this to be carried out in advance of coming into residence. Alternatively, the Maintenance Department will arrange to test all such equipment and issue the appropriate certification in the first half of the Michaelmas term free of charge. Junior members must notify the Clerk of Works, before the first weekend in the Michaelmas Full Term, if they have any electrical items which will need to be tested. After this time, any faulty, suspect or new items must be taken to the Maintenance Department where they will be inspected for a charge of £2.50.
- Rooms may be inspected periodically and any electrical equipment belonging to Junior Members which is found to be untested or otherwise considered unsafe will be removed. The use of block (rather than strip) multi-plugs is strictly forbidden.
- Junior Members must not interfere with the wiring, electrical fittings, heating system or any other College-owned equipment installed in their accommodation. Junior Members should notify the Maintenance Department of any faulty electrical fixtures or equipment without delay via fixit@pet.cam.ac.uk.
- The use of candles, incense sticks, aromatic oil burners and any other device with a naked flame is not permitted in Junior Members' rooms.

Fire Drills & Fire Wardens

The Clerk of Works is responsible for arranging fire evacuation drills for each staircase and house.

A compulsory briefing for Freshers on fire safety will take place on the first Monday in residence.

Junior Members from the upper levels of each staircase or house are appointed as Fire Wardens and given additional training. If Junior Members have any questions about fire safety, they should raise them with the Head Porter and / or their Fire Warden.

Detection and Alarm

All Peterhouse accommodation is equipped with an automated fire detection and alarm system, linked to the Porter's Lodge. Buildings must always be evacuated promptly when the fire alarm sounds, unless it is part of a test procedure, and not re-entered until the 'all clear' has been given. Fire alarms are tested on a weekly cycle at pre-arranged times: notices are posted advising of test schedules.

First aid fire appliances (extinguishers, fire blankets etc) are strategically located throughout College properties. Any interference with the fire detection and alarm systems or fire appliances, including temporarily disabling a smoke detector or discharging a fire extinguisher inappropriately, is deemed to be a very serious breach of College Regulations.

In the event of fire, it is the responsibility of the occupier to set off the fire alarm at the nearest break-glass point, alert the Fire Service immediately (dial 999 and ask for "fire") and then notify the Duty Porter in the Porter's Lodge by telephoning (01223) 338200.

Escape

Instructions on fire procedures are posted throughout College accommodation and Junior Members are expected to make themselves familiar with the fire drills, escape routes and assembly points applicable to their accommodation.

To enable safe evacuation in the event of fire, it is extremely important that escape routes – corridors, landings, stairs and hallways -- and fire exit doors should not be obstructed in any way. Fire doors must be kept closed at all times and should not under any circumstances be propped or wedged open.

Smoking Policy

The College recognises that smoking can damage the health of both smokers and non-smokers and can constitute a fire hazard. Members of College, staff and visitors are not allowed to smoke inside College buildings, including off-site hostels, or in any of the courts. Smoking is permitted only at designated smoking areas. Students are required to advise their guests of this College policy, and to ensure that it is followed.

Section 13 : Security

Lost Keys

Junior Members should collect the key to their accommodation from the Porter's Lodge and must return it to the Porter's Lodge upon their departure (see sections 2 and 4 above). A charge of £25 will be levied to replace any key which is lost or not returned. In the case of hostels, the room key will also open the front door of the hostel.

Security Briefing

A compulsory briefing for Freshers on security will take place on their first Monday in residence. Junior Members are advised to keep their rooms locked whenever they leave them unoccupied, with any accessible windows closed. It is particularly important that those Junior Members living in College houses ensure that the main door to the building is kept firmly secured at all times.

College housekeeping and maintenance staff and approved contractors will carry identification. If Junior Members are unsure as to the identity of anyone arriving to undertake works, they should check their details with the Porter's Lodge before allowing them to enter.

University Multipurpose Security Card

Junior Members will also be issued with a personal University Multipurpose Security Card which controls access to a number of areas within the College, including the Library, Computer Room, main laundry, Garden Gate and Back Gate. Junior Members are reminded to take particular care of their cards and report any loss to the Duty Porter without delay.

Defective, broken or worn-out cards are replaced free of charge by the University Card Office. In the event that cards are stolen or lost, the University Card Office levies a £10 administration charge for their replacement. Further information can be found via the 'computing' link from the *Current Students* section of the College website.

Insurance

It is essential that all Junior Members insure their possessions, including bicycles, against theft and any damage or other loss. **The College does not accept responsibility for theft or loss of personal belongings**, whether from private rooms or the public areas of College buildings and grounds, but any such losses should be reported immediately to a Junior Member's Tutor.

Section 14 : Other Matters

Post

Each Junior Member, whether resident in College accommodation or living out, will be allocated an individually-labelled pigeon-hole. Undergraduate pigeon-holes are located in the Porter's Lodge. See further CR xxv.

Gym

The David Ross gym is available for the use of all Junior Members, Fellows, staff and conference guests who have completed an induction session and signed the relevant gym usage form.

The key to the gym should be signed out from the Porter's Lodge and will only be issued to individuals who are listed as having completed the relevant induction session. The gym has a CCTV system installed for security and safety purposes, and there is a direct phone link to the Porter's Lodge for use in case of emergency.

The College's health and safety policy should be followed at all times when exercising. Gym users should, whenever possible, try and ensure there are a minimum of two people in the gym whenever it is in use.

Between the hours of 7.30am and 8.30pm during Full Term and between the hours of 7.30am and 5pm out of Full Term, single users are, at their own risk, permitted in the gym. During these hours the Porter's Lodge will be manned and, when available to do so, Porters will seek to provide some limited monitoring of the gym over the CCTV system. They will also usually be able to answer the emergency phone link from the gym during these hours.

Outside of these hours the Porter's Lodge is not continuously manned. It is therefore not usually possible for the Porters to monitor the CCTV system, and so single users are not permitted in the gym.

Induction sessions should be booked online at:

http://www.supersaas.com/schedule/S&Csessions/Peterhouse_Gym

Bicycles

All bicycles must be marked using a tag bearing the College's name and an individual number. This is not only to satisfy University Regulations, but also to maximise the chance of a bicycle's return should it be stolen. Arrangements for tagging are managed by the Head Porter, who is instructed to see that this regulation is enforced. Unmarked bicycles may be removed without warning.

Bicycles may not be left anywhere on College property except in the bicycle racks or sheds provided. In particular, bicycles must not be chained to railings or brought into the common parts or rooms of College accommodation. Bicycles left in unauthorised locations may be removed without warning.

Bicycles should be locked securely whenever they are left unattended.

Car Parking

See CR xxii.

Visitors

Occupancy of College accommodation is granted only to the Junior Member in question and rooms may not be assigned, sub-let or shared.

Occasional guests may stay overnight in College accommodation. Junior Members must record the name of their guest, their location and the duration of their stay in advance in the guest book kept in the Porter's Lodge. For reasons of fire safety, it is essential that the College is aware of all such visitors.

Such occasional guests are only permitted to stay in College accommodation for a maximum of three nights in any fortnight. Permission for a longer stay will only be granted in exceptional circumstances and must be sought in advance from the Senior Tutor.

When inviting guests to stay in your room, you should be considerate towards the other occupants of the property as additional people will increase the demands made on the communal areas, especially the bathrooms.

College Guest Rooms

The College has three single guest rooms which may be booked by Junior Members for use by their guests: Old Court C5(a), Gisborne Court M1 and Fen Court 11. A maximum of two rooms may be booked, for a maximum of three consecutive nights.

Guest rooms are booked through the Conference Manager at conference@pet.cam.ac.uk.

Rooms are available for occupation from 12 noon and keys should be collected from the Porter's Lodge. Guests are asked to vacate their rooms by 9.30 am on the morning of departure and to hand the keys back to the Porter's Lodge before 9.45 am. Failure to comply with this requirement may result in the cost of a further night's occupation being added to the final invoice. Guests staying for breakfast in College may temporarily store their luggage in the Luggage Room – contact the Porters for access.

The College will be responsible for general cleaning and will supply necessary linen and towels, but a charge may be levied for any cleaning or use of linen and/or towels considered to be in excess of normal use. A charge may also be levied in respect of any damage caused to College property.

The guest room rate for Junior Members is currently £19.80 + VAT per night (£23.76), with charges added to their termly College Bill.

Junior Members will be held responsible for their guests during their stay. See further CR xiv.

Good Neighbour Policy

Junior Members are expected to be mindful of the proximity of their neighbours, both within College accommodation and in the wider community. Junior Members should note that College Regulations apply to off-site properties as if they formed part of the main College site. See further CR xv, xix.

Animals may not be brought into or kept in College accommodation.

Access to Rooms

The College will require periodic access to Junior Member accommodation for cleaning, maintenance, inspection and other reasonable management purposes. Prior notice will be given wherever possible but the College reserves the right to enter any room without giving notice in the event that immediate access is considered necessary to avert (or minimise) damage to College property or physical injury. In such cases, the occupant of any room entered will be contacted as soon as possible after the event to inform them that entry has been gained and to provide details of any work undertaken.

Queries and Complaints

Any queries or complaints relating to College accommodation should be addressed in the first instance to the Accommodation Officer, Housekeeper or Clerk of Works, as appropriate. Any issues which have not been satisfactorily addressed may then be referred to the Accommodation Manager or the Senior Bursar who will investigate and seek to resolve matters. Should this resolution not be considered acceptable, Junior Members should consult their Tutors in the normal way.

A directory of College Officers and staff can be found via the 'contact details' link from the *Welcome* section of the College website. The main contacts for accommodation issues are shown at the front of this Handbook.

Section 15 : Contractual Relationship between Students and Peterhouse

All Junior Members in College accommodation will be issued with a Room Licence covering their occupancy as licensee of College accommodation. This should be reviewed carefully, signed and returned to the Accommodation Office as soon as possible.

Details of the terms and conditions which apply to Junior Member accommodation and which will govern any occupancy are to be found in this Student Handbook. In accepting the offer of accommodation and signing the Room Licence, Junior Members agree to observe these terms and conditions. Junior Members will be deemed, in the absence of other arrangements, to have entered into the Room Licence once they have signed for the key to their room.

The College reserves the right to terminate the licence of occupation of any Junior Member in the event of serious and/ or repeated breaches of the terms and conditions of Junior Member accommodation, College Regulations, or key College Policies such as Health and Safety. In such an event, the College will serve written notice of early termination to the Junior Member in question, stating the reason for such termination, and will charge the Junior Member on a pro-rata basis for the days in occupation.

Appendix A. Terms and Conditions of Occupation of College Accommodation

The Licence

- These Terms and Conditions apply to the occupation of rooms by Junior Members of the College. Lettings are on the basis of a Licence, signed on behalf of the College before the commencement of occupation, and which the Licensee is deemed to have entered into when they take possession of the keys to the room listed on the Licence agreement.
- The College reserves the right to vary the premises allocated from time to time during the course of the Licence and, if appropriate, to vary the accommodation charge. In both cases due notice would be given.
- The use of the premises provided is for the Licensee's own single occupation only, except where couples accommodation is provided.
- This Licence shall at all times be construed as a personal Licence with the Licensee and shall not be transferred, assigned or sublet, nor shall occupation of the Premises be shared or parted with.
- The Licence also permits the Licensee to use any furniture, fittings and equipment in the rooms provided, and to use all communal facilities.
- The Licensee acknowledges that the College is entitled to enter the Premises at any time and for any reason whatsoever during the Licence Period, provided that appropriate notice has been given in non-emergency situations, and the Licensee agrees that it shall not obstruct or interfere with the College's rights of possession and control of the Premises or with the rights of any third parties to use the Premises. The College reserves the right to use the Premises at all times outside the Licence Period, when the Licensee is not in residence, and to retain any sums arising in consequence of such use.
- This Licence is restricted to the Premises.
- The Licensee acknowledges and agrees that this Licence does not confer any tenancy upon it and that possession and control of the Premises is retained by the College subject to the conditions of this licence.

Licensee's Obligations

The Licensee covenants and agrees:

- Not to remove or damage any furniture, fittings, furnishings or equipment belonging to the College.
- Not to carry out any decoration, maintenance or alterations to the Premises or other structures or buildings. Pictures may not be hung from walls except where a picture rail exists. Nothing may be pinned or fixed directly to the walls.
