TRAVEL SCHOLARSHIPS, STUDENTSHIPS AND GRANTS

From the Leaf, Williams, Scott, Storrs, Steele, Clarke, Miller, Hayles, Niarchos, Reed, and Aldridge Funds

1. GENERAL:

(a) The College has funds at its disposal to enable Junior Members to undertake travel outside of term-time during the Christmas, Easter, and Long Vacations.

(b) The Travel Grants Committee has, in making allocations in the past, expected applicants to have in mind travel for a cultural or adventurous purpose. Visits to friends or relatives abroad may not fulfil the Committee's expectations unless these other criteria are met.

(c) Applications are to be submitted on the application form obtainable from the Tutorial Office or on the website and must be returned to the Tutorial Office by the deadline. No application will be accepted unless it is complete and made on the form provided. All applications for either the Easter Vacation or the Long Vacation must be received by 4 p.m. on Friday, 2nd February 2018. Late applications will not normally be accepted.

(d) Joint applications will not be considered. If two candidates plan to travel together, each must make a separate application.

(e) Allocations are made by the Travel Grants Committee for specific approved purposes: if approved, plans may not be altered overall by recipients without further permission, to be sought through the Senior Tutor.

(f) All recipients of travel funds are required to submit to the Governing Body through the Tutorial Office by the last Monday of the Full Term following the vacation in which the travel has taken place a written report of about 500 words on the use made of the money. They must also submit receipts for all expenses incurred. Until the report and the receipts are received all allocations are treated as loans rather than grants.

2. ALLOCATIONS ARE MADE FROM THE FOLLOWING BENEFACTIONS:

(a.i) The Leaf Studentship is offered to a resident undergraduate or Bachelor of Arts of the College (not being a registered graduate student) who, at the time of the election, shall have completed not more than nine terms, to enable the holder to travel abroad during the Easter or Long Vacation 2018 for some approved purpose connected with study.

(a.ii) Further allocations from the Leaf Fund may be made to undergraduates of the same standing for the same purpose.

(b) The Peter Storrs Studentship is offered to a resident member of the College in statu pupillari for travel abroad during the Easter or Long Vacation 2018.

(c) Arthur Scott travelling scholarships are offered to resident undergraduates for travel, preferably in Europe but not in the British Isles. They are not open to those reading Mathematics or the Pure or Applied Sciences.

(d) The Paul Herbert Steele Scholarship is offered to resident members of the College in statu pupillari for foreign travel during the Easter or Long Vacation 2018.

(e) The Niarchos Prize is offered to resident members of the College in statu pupillari for travel during the Easter or Long Vacation 2018 in lands where Greek is or was a spoken language.

(g) Allocations for foreign travel during the Easter and Long Vacations of 2018 may also be made to resident members of the College in statu pupillari from the Williams and Aldridge Funds.

(h) The Norman Miller Fund is offered to Historians; the application of the Graham Clark Fund is unrestricted.

(i) The H.R. Hayles Fund is offered to assist a Member of the College to travel and study in Switzerland or Greece.

**N.B.** The Leaf Studentship will not be awarded to a former holder, and other funds are unlikely to be applied to those who have already received from them. Preference may be given to those who will be returning into residence after travelling.
