Undergraduate Student Handbook (2020/21)

This Undergraduate Student Handbook is intended to provide information for undergraduate students at Peterhouse; how the tutorial system works, what you need to know about living in College accommodation, arrangements for the start and end of term, and vacation residence. It also includes information on College catering, administration and billing procedures.

The handbook contains specific information for those students living in College accommodation. This includes details of the terms and conditions (in conjunction with the room licence) governing occupancy as licensee of all Junior Members.

The handbook must be read in conjunction with the booklet of College Regulations (CR), issued by the Senior Tutor, as well as the notices circulated and/or posted by other College Officers. Further useful information can be found on the College website, the JCR website, and on the Cambridge students’ website - http://www.cambridgetudents.cam.ac.uk

This handbook may be updated at times during the academic year. The website will always show the most up-to-date version - http://www.pet.cam.ac.uk

Peterhouse is committed to managing its Junior Member accommodation in accordance with the relevant provisions of the ANUK/Unipol Code of Standards for Larger Residential Developments. This code establishes a set of management standards for all residential developments managed and controlled by educational establishments and specifies appropriate controls to ensure that the particular needs of students are delivered effectively. The code covers: the allocation of accommodation; information provided prior to the start of the licence agreement; arrangements during the tenancy (including rights and notification of access, repairs and maintenance obligations, provision of information on cleaning, furniture and other facilities, and health and safety matters); and end of tenancy arrangements. This handbook seeks to provide most of this information in one document so that it is readily accessible to all students in Peterhouse accommodation. You can use the following link to download the code of standards if you wish to see further details:

Section 1: The Tutorial System (Undergraduates)

This section describes the tutorial system in Peterhouse and some of the expectations and responsibilities of all participants, namely undergraduates, tutors and teachers. The tutorial system works best when all parties co-operate in a spirit of mutual respect and of shared responsibilities.

The Senior Tutor is ultimately responsible for operation of the system. Those involved are the College’s tutors, its Directors of Studies, its supervisors and its undergraduates. The Senior Tutor has his own tutorial pupils, for whom he is directly responsible, but any undergraduate of the College may consult the Senior Tutor. The Senior Tutor will also deal with any issues or concerns that any undergraduates do not feel able to put to their own tutor or Director of Studies.

The Tutors

The tutors have general oversight of all aspects of the life of undergraduates in their charge from admission to the College until graduation. Indeed, for so long as they are Fellows of the College, they may be expected to have residual obligations to their pupils. They are responsible for their well-being; academic, social, and financial. The Tutors mediate between the College and the undergraduates and between the University and the undergraduates. Through the Senior Tutor, they advise the College’s Governing Body on tutorial business. Each tutor is allocated a number of undergraduates in a range of Triposes and for these pupils that tutor is specifically responsible. Tutors are regularly in discussion with the Senior Tutor, the other tutors and the Directors of Studies so as to ensure a common tutorial policy, practice, and mutual support. Each tutor does, maintain confidentiality about individual pupils.

Undergraduates may expect the following from a tutor:

(i) a supportive and constructive adviser on academic, financial, and social concerns;
(ii) a first guide in the case of serious personal problems or concerns (for example: stress, fear of failure, loneliness, eating disorders, bereavement, relationship breakdowns);
(iii) an intermediary between the undergraduate and the University authorities, and also the University bodies whose concern is for undergraduate welfare, e.g. the University Counselling Service, and with medical advisers;
(iv) a broker, where appropriate and within the bounds of confidentiality, between undergraduates and others concerned with their well-being (for example: family, sponsoring bodies) and also the Student Loans Company;
(v) a mediator of sensitive comment from and on the undergraduate and from and on those responsible for teaching and for progress generally, including the Director of Studies;
(vi) a consultant on changing Tripos, withdrawing, gaining exceptional permission to go out of residence (‘intermitting’), the conduct of examinations (including applications to sit examinations in College or with extra time), complaints and appeals, and any matter in this area relating to disability (including dyslexia) or illness;
(vii) a referee for applications for funding, for further education and for employment even beyond graduation.

The tutors provide comprehensive support and guidance to the individuals in their care; it is not, for this reason, feasible here to provide an exhaustive list of their responsibilities.
Each weekday, in term-time, the tutors have regular Tutorial Hours: undergraduates are encouraged to visit in person with their tutorial business during those hours. In an emergency, a tutor may be contacted through the Duty Porter.

All tutors may be contacted by post via the porters or by e-mail through the College website, but most things are, initially at least, best dealt with by a personal visit. It is reasonable to expect a tutor to reply to a letter or e-mail within seven days.

Undergraduates are assigned to their own tutor, but they may, if they feel that it would be helpful, raise an issue or concern with another of the tutors. There are currently two male and two female tutors. Undergraduates should also note that guidance on some, usually other than academic, matters may be sought from the Dean or Chaplain.

Undergraduates are expected to:

(i) communicate as appropriate with their tutor, and at a minimum ensure that they see their tutor as required during full term at appointments made by the tutor;
(ii) visit their tutor if summoned: tutors do not summon undergraduates unless there is a substantial reason;
(iii) check their pigeonholes in the Porter’s Lodge and their e-mail regularly (at least every two days) for messages from tutors and those who provide administrative assistance to the tutors, namely the Tutorial Office Manager and the staff of the Tutorial Office;
(iv) inform their tutor as soon as practicable of any academic, financial or social concerns or difficulties. In some, but by no means all, cases these may also have been raised with a Director of Studies
(v) ensure that their requests are reasonable. Tutors will always act swiftly in an emergency; but in other instances it is sensible and just that they be given reasonable notice of requests. For example, if a tutor is asked to write a reference, it is reasonable to make that request well in advance of a deadline;
(vi) remember that the relationship with a tutor is one based on honesty and mutual respect: it is dependent on co-operation and trust.

Directors of Studies

Directors of Studies are responsible for advising and directing undergraduates on their academic work. They are responsible for engaging supervisors on behalf of the College and for exercising a general oversight of teaching and learning in their Tripos subject and for giving general advice theron. They communicate, as appropriate, with the Senior Tutor and tutors, about the progress of undergraduates, in particular about any difficulties that affect an undergraduate’s academic performance.

Directors of Studies are also requested to provide brief reviews of graduate applications in their subject area in order to help inform the graduate admissions process.

Undergraduates may expect Directors of Studies to provide the following:

(i) advice on the planning and progress of their academic work and, where necessary, regular review of that work. Practice varies in this; some Directors of Studies have regular weekly hours in term when they may be consulted, but all may be contacted by post via the porters, or by e-mail through the College website. It is reasonable to expect a reply to any email within seven days;
(ii) up-to-date and accurate advice and guidance on courses and papers, including making undergraduates aware of any Faculty or Departmental handbooks or similar, guidelines or web-sites, checking their examination entries, informing of and interpreting examination marks, organising College examinations where
appropriate, advising on possible graduate courses and assessing any undergraduate who is considering asking to change into their Tripos;

(iii) a meeting with their Director of Studies at the beginning of the academic year in order to discuss the undergraduate’s plan of study, to arrange supervisions, and to be advised on their progress;

(iv) an individual consultation with their Director of Studies at the end of each full term, in order to review the term’s work in the light of supervision reports, and advise on work to be undertaken during the forthcoming vacation;

(v) an appropriate response to information from undergraduates about the quality of supervision provided to them by each supervisor;

(vi) recommendations to the College’s Ward Librarian on purchases for their subject;

(vii) references on behalf of undergraduates.

Undergraduates are expected to:

(i) communicate as appropriate with their Director of Studies, and keep agreed appointments; if they miss such a meeting, without a reason that is found acceptable by their tutor, they may expect to be fined by their tutor; check their pigeon-holes and email at least every two days for messages from their Director of Studies or the staff of the Tutorial Office and to respond to such messages promptly;

(iii) inform their Director of Studies as soon as practicable of any academic concerns or difficulties. In some, but by no means all, cases these may also have been raised with a tutor;

(iv) notify the Director of Studies as soon as practicable of concerns about a supervisor, a course of supervisions, or the arrangement of supervisions. These concerns may also be raised with a tutor, but for practical issues the Director of Studies is best placed to take action;

(v) keep up to date with relevant information about their course provided by the College or the University through handbooks or similar, course-guides or on a web-site;

(vi) suggest acquisitions for the College Library by filling in the Book Request Form in the Ward Library or through the Ward Library website;

(vii) ensure that their requests are reasonable: it is sensible and just that Directors of Studies be given reasonable notice of requests. For example, if a Director of Studies is asked to write a reference it is reasonable to make that request well in advance of a deadline;

(viii) remember that the relationship with a Director of Studies is a mutual one: it is the undergraduates’ responsibility to ensure that they organise their time and commitments so as to give clear priority to their academic work and that they have made every effort to complete to the best of their ability the work, essays, problems, projects, as agreed and advised by their Director of Studies.

Supervisors

The supervisor is engaged for the College by a Director of Studies in order to offer, for a course or paper, appropriate specialised teaching to complement that offered by the University.

Supervisions are the fundamental educational provision of the colleges in Cambridge: they offer a medium through which undergraduates learn to work independently, to learn with and from others, to present, defend and concede arguments, to handle problems, to question their own assumptions, and to meet deadlines.

Undergraduates may expect the following from supervisors:

(i) a full hour of supervision unless agreed otherwise by the Director of Studies;
(ii) a reasonably sized group for supervisions in which they have the opportunity to participate fully;

(iii) guidance about how best to prepare for supervisions, examinations and assessed work;

(iv) assignment of reasonable amounts of work, neither excessive nor minimal, and to receive constructive comment on them;

(v) marking and assessment of their work with advice for improvement;

(vi) content that is relevant to the course and helps understanding of the subject with constructive comment and discussion of their questions and problems;

(vii) respect for their opinions;

(viii) opportunity to discuss in privacy and in confidence any problems they perceive in the quality, relevance, or dynamics of the supervisions that they are receiving.

Undergraduates themselves are expected to:

(i) complete the work set to the very best of their ability;

(ii) deliver work on time after ensuring that they have agreed a deadline with the supervisor;

(iii) present themselves punctually for every supervision;

(iv) contribute actively to the supervision and make their opinions known;

(v) contact the supervisor in plenty of time if they are unable to be present for the supervision or to complete the work set;

(vi) be charged and fined by their tutor if they miss a supervision without a reason that is found acceptable by their tutor, who will consult their Director of Studies;

(vii) remember that the relationship with a supervisor is a mutual one; it is the undergraduates’ responsibility to ensure that they organise their time and commitments to give clear priority to academic work and that they have made every reasonable effort to complete to the best of their ability the work or project as agreed and advised by their supervisor.

The strength of the tutorial system in the College lies in its interlinked structure whereby a range of constructive possibilities exist for dealing with any difficulties that may arise. Thus a query about a course or paper is often best addressed in the first instance to a supervisor; discussion of broader questions of academic progress are normally best raised in the first instance with the Director of Studies; other matters of concern, some of them not directly academic, are usually best discussed with the tutor. Sometimes, however, a different approach suggests itself and the tutorial system has flexibility.

The College adheres to the descriptions of the roles and functions of tutors and Directors of Studies set out on the Senior Tutor’s Committee website.

Prevent

The College's PREVENT strategy aims to safeguard individuals from extremism and radicalisation. The relevant information can be found on the College website.

Health and Welfare

Students often need extra support during their time at Peterhouse, and there are several people in College happy to help. In addition to your tutor, with whom you can discuss practical, academic, financial or other general welfare issues, at Peterhouse we are fortunate to have a dedicated welfare team.

Members include the College Nurse (Natasha Kear), Mental Health Advisor (Leanne Freear), College Counsellor (Panayota Manis), and Welfare Officer/Assistant Chaplain (Jennifer
Adams-Massmann). We are happy to speak to talk privately about any issues affecting you (e.g., academic stress; emotional, family or relationship issues; mental health issues; disability; sexual harassment; bereavement, addiction, etc.). We can provide a sympathetic, listening ear as well as offering advice or signposting to other resources, depending on what you need.

If you are unsure whom to speak with first, please contact the Welfare Officer or Nurse. A full list of current contacts is available at www.pet.cam.ac.uk/help as well as links to book appointments quickly with members of the team. Please don’t hesitate to reach out – we are here to help you.

COVID-19

All students are expected to be aware of and comply with the College's COVID-19 guidance, which can be found on the Health and Welfare website.

Further information is also available on the University website.
Section 2: Accommodation

Accommodation Provision and Allocation

All undergraduates are expected to live in College accommodation. The College is normally able to accommodate all undergraduates for the duration of their course. Any undergraduate who wishes to live out of College accommodation should consult their tutor in the first instance.

Due to the historic nature of many of the College’s buildings, accommodation for Junior Members who are married and/or have children is limited. The College has a small number of rooms, which have been specially adapted for use by disabled students.

In first year, undergraduates are usually housed together in St Peter’s Terrace and the William Stone Building. New students will, prior to their arrival, be asked to indicate any special requirements and to state a preferred accommodation price. The College allocates rooms once places have been confirmed in August, following the preferences where possible, whilst working within the constraints of the available room stock.

The allocation of rooms for undergraduates in their second and subsequent years is effected by means of a ballot organised in the summer vacation by the JCR Rooms Committee.

Changing rooms mid-year is not usually possible and is actively discouraged because of the additional burden it places on housekeeping and administration processes.

The College reserves the right to require the occupier to move to similar accommodation at any time at the College’s absolute discretion.

Licence Periods

Undergraduate rooms are allocated on one of three licenses:

- **Standard Licence** – three fixed term periods of 10 weeks for the Michaelmas, Lent and Easter Terms
- **Full Academic Year Extended Licence** – in selected properties only, allowing students to retain their room from the start of the Michaelmas Term licence period to the end of the Easter Term licence period, including vacations
- **Freshers’ Licence** – a 9 week licence for the Michaelmas Term from the Saturday prior to the start of full term to the Saturday after the end of full term, and two fixed term periods of 10 weeks for the Lent and Easter Terms

**Students will be deemed to have accepted the terms and conditions of their licence when they take possession of the keys to the room listed on the licence.**

Students wishing to be in residence outside of the licence periods should refer to the section on Vacation Residence on page 11 of this handbook.

Charges for Accommodation

Accommodation, catering and other charges, are reviewed each year by the College’s Finance Committee, in consultation with the Co-ordinating Committee, which includes both graduate and undergraduate representatives. The Finance Committee recommendations are finally approved by the Governing Body. It is intended that these charges should remain in force for a full academic year before being reviewed again, but Junior Members should be aware that, in exceptional circumstances, interim increases or surcharges may be necessary. The College is not seeking to make a profit from Junior Members, and believes that its charges are, and should remain, highly competitive when compared to rents at other Colleges.
Rents are fixed taking into account the size and location of the room, as well as other facilities and features.

**Undergraduate Rents**

Undergraduates are charged for rent on a termly basis, in advance, via their College account. Charges for additional days of residence or for any damage caused, are added to the College bill for the following term.

Undergraduate rents include a charge for network connection and a contribution towards the cost of background heating, hot water, and electricity. Insurance is also now included in rents:

Peterhouse is working with Endsleigh, student insurance, to protect the contents inside your room. You don’t need to do anything to activate this cover, but it is important for you to check and ensure that you fully understand the protection provided and whether it is sufficient for your needs.

The policy number is: HH 1714

Visit check your cover to:

- Check your level of cover
- Review key exclusions and limitations
- Check your policy excess
- Learn how to make a claim
- Extend and personalise your cover to protect laptops, phones and other valuables

It is worth spending a few minutes to establish whether the things that matter to you most are protected both inside and outside your room.

To find out more, visit check your cover

**Caution Money**

All undergraduates are charged £125 caution money on their first College bill. This amount will be returned, less any deductions for fines or outstanding charges, after graduation.

Interest will not be paid on these sums while they are held by the College.
Section 3: Accommodation Facilities

Furniture and Fittings

The College Housekeeper is responsible for the furniture and fittings provided within the College’s accommodation and any queries in regard to furnishings should be directed to her.

All College bedrooms, where space allows, are furnished with a single bed and mattress, bedside table, desk, desk chair, reading lamp, waste bin and recycle bin, bookcase, armchair, wardrobe and chest-of-drawers.

The College does not provide pillows, bed linen, duvets or blankets, or crockery/cutlery for personal use. However, the College can arrange for linen packs at a cost of £20 via prior order; these include a pillow, duvet, fitted sheet, and block colour pillowcase and duvet cover. Please ensure orders are placed by Monday 7th September via the Housekeeper: housekeeper@pet.cam.ac.uk.

No large or bulky items of furniture, including pianos, may be brought into College accommodation without permission; application should be made in advance to the Housekeeper. Junior Members will be required to remove any unauthorised furniture.

Furniture must not be removed from rooms, placed on landings or other common areas, transferred to other rooms. Furniture should not be moved around rooms due to the risk of damage to fixtures and fittings as well as risk of personal injury.

The College aims to maintain the decoration and furnishings of its accommodation to a high standard, with rooms regularly inspected and refurbished. This is important not only for the enjoyment of current and future Junior Members, but also for conference visitors who use undergraduate rooms during the vacations (thereby significantly subsidising student rents). Rooms are visited on a termly basis to check for any problems that may need addressing.

The occupants of all College rooms will be held personally responsible for any damage caused to the decoration and furnishings of their rooms, making allowance for reasonable wear and tear. The use of pins, blu-tack, sticky tape, command strips (and similar fixatives) to attach articles to the walls, furniture, or windows is strictly forbidden. Those who mark walls in this way risk incurring a substantial charge for the redecoration of the entire wall(s). Junior Members should contact fixit@pet.cam.ac.uk to have hooks fixed onto walls if they wish to hang pictures and posters where there is no picture rail. Students wishing to put up photos or pictures, should use ‘Magic Whiteboards’ as these fix to the walls with static and can be removed without marks. These are available online as well as one per student being available from the Accommodation and Housekeeping Office. Similarly, damage to carpets caused by burns or spillage is likely to result in the occupant being charged the cost of re-carpeting the entire room.

Occupants will also be charged the actual cost of clearing any blocked sink or WC for which they are responsible. Junior Members are reminded that paper hand towels should not be flushed down the toilets, as this is a frequent cause of blockages. Charges may be levied against all occupants of a staircase or house where the culprit(s) are not readily identifiable.

College Network

All College rooms have an Internet connection through the College’s own network on the main College site. Use and maintenance of a computer connected via the College network is at the Junior Member’s own risk and carries a responsibility to observe the relevant College and University rules and regulations. Further information can be found on the College website (http://www.pet.cam.ac.uk/computing).
All computing and network issues should be reported to helpdesk@pet.cam.ac.uk.

Televisions

Junior Members are required, by law, to hold their own valid television licences for any television receiver brought into College accommodation, including the use of computers to watch broadcast programmes. TV licensing authorities make checks on a regular basis and Junior Members are personally liable for any fines imposed. Further information may be obtained from www.tv-l.co.uk. No aerials or similar devices may be installed outside rooms.

Kitchen Facilities

All undergraduate accommodation offers limited kitchen facilities known as ‘gyps’. These are equipped with fridges, microwaves, kettles, toasters and sandwich-makers, and are intended for the preparation of hot drinks and snacks only. The College kitchens offer a comprehensive catering service during term-time and Junior Members are encouraged to make use of this service. Frying pans must be used responsibly and surfaces wiped down of any spillages. Some gyps do not have hobs for fire safety reasons (D stairs, SPT, WSB). Some hobs are induction hobs and need specific pans (LSMH, H stairs, C stairs).

When preparing drinks or snacks, Junior Members should be considerate to others in the household and clean up promptly after themselves. In particular, it is not permitted to prepare hot meals between the hours of midnight and 6am. If a Junior Member acts in breach of this rule, and causes a fire alarm as a consequence, a charge of £50 will be added to their College bill.

Students should note that electrical cooking items are not allowed in student rooms; this includes (not exhaustively) kettles, toasters, and sandwich makers. Cooking items are provided by the College for use in communal gyps/kitchens only.

Operating instructions for the equipment provided are displayed in the individual kitchens. Further copies are available from the Maintenance Department.

Laundry Facilities

Coin-operated washing machines and clothes dryers can be found in the main laundry below Fen Court, in 35 and 39 Trumpington Street, in WSB (ground floor), and in Little St. Mary’s Hostel basement (washer only, no drier).

Junior Members are requested not to leave items of clothing in laundry areas; unclaimed items will be disposed of after the end of each term.

Junior Members should report any faulty laundry equipment to the Porter’s Lodge, who will contact the service providers (plodge@pet.cam.ac.uk).

Saffron Walden Laundry is appointed by the College to provide a laundry service for Junior Members. Collections are made on Mondays and Thursdays in full term (for laundry parcels left in the Porter’s Lodge by 8.30am), with deliveries one week later. Any losses or damage should be reported to the laundry company immediately. Laundry bills are charged to students on a termly basis via their College account.

Student Fridges

Students who require fridges in their rooms for medical or dietary reasons should discuss this with their tutor or the College Nurse before arrival.

Students wishing to have a fridge in their room for non-medical/dietary reasons, may apply – a limited number will be available for purchase. Only these 50 litre fridges, bought through the College, can be used in College rooms. The Accommodation Office will issue a contract,
which will be signed by the Accounts Department upon receipt of £110 payment (which will cover the cost of the fridge and administrative costs). Fridges must be kept inside the student room to a maximum of one fridge per room.

Any student with a fridge is responsible for its removal at the end of each and every term as there is no storage capacity (this also applies to international students who can access storage for items, but not for personal fridges). Failure to remove a fridge at the end of term, or failure to keep it in a hygienic state, will result in confiscation and may also result in the termination of the contract to have a personal fridge for the rest of the time in College.

Finally, the College accepts no liability for any loss or spoiling of food that may result from any power outage and will play no part in the maintenance of the equipment. As fridges contain hazardous chemicals, they need careful disposal if no longer required; the College is unable to provide fridge disposal services.

**Communal Living**

Students living together should be mindful of those around them and make sure communal areas are left in generally acceptable state for others to use (such as washing up washed and dried and tidied). As people keep to different routines, a general respect for a quiet period between 10pm and 6am should be met by all residents.
Section 4: Undergraduate Accommodation Procedures

Start and End of Term Procedures

Undergraduates are permitted into residence from **12 noon** on the first day of the licence period, and should vacate their room by **10 am** on the last day of the licence period, unless otherwise advised. Keys should be collected from and returned to the Porter’s Lodge and should not be retained over the vacation. Late check outs must be organised through the Accommodation Office as rooms often need to be serviced ready for vacation guests from 10am. Late departures without arrangement will be charged.

Undergraduates are required to sign in to the Redit book held at the Porter’s Lodge at the start of each term and to sign out at the end of term. This registration is important to confirm:

- that term has been kept (required by the University before a degree can be awarded)
- where additional rent is due for stays beyond the period of residence

Standard Licence and 1st Year Licence

The **Standard licence** entitles undergraduates to ten weeks’ accommodation (70 nights) for each term for fixed periods, as set out on the licence agreement. **Freshers** have a similar licence, with the same licence dates for the Lent and Easter terms, but a reduced period of nine weeks (63 nights) in the Michaelmas term, so that the College can provide accommodation for interview candidates in December.

Refunds are not normally given for occupancy of fewer nights than the licence period.

Undergraduates on Standard and 1st Year licences who wish to be in residence outside of the fixed licence periods are required to obtain permission from the Senior Tutor in advance – see the paragraphs below on Extension of Room Licence and Vacation Residence. Any additional days are charged at a fixed daily rate, currently set at £16.50.

Extension of Room Licence within the University Term Dates

For students on standard or 1st year undergraduate licences, application must be made on the Vacation Residence Form (see next page) to extend their stay at either end of the licence period, even if still within the University Term. Any period of extended residence requires the permission of the Senior Tutor. Grants are available to cover the additional rent where necessary – applications should be made to the Senior Tutor at the start of the term following the relevant vacation.

Such stays within the University term are included within “keeping term” dates and are recorded in the Redit book when you sign in on arrival, or out on departure. It is not guaranteed that you will be able to stay in your own room for stays outside of the licence period, especially if you are in one of the en-suite rooms used by conference guests, or in the freshers’ rooms in SPT and WSB, which are often used for admissions events.

Full Academic Year Extended Licence

Undergraduates who have opted for the full academic year extended licence are entitled to occupy their room from the start of the licence period in the Michaelmas term to the end of the licence period in the Easter term. There is no requirement to apply for permission to remain in residence during the vacations, but it is essential to sign in and out of term in order to provide evidence of keeping term.

The College reserves the right, in exceptional circumstances, to request an undergraduate on an extended licence to move rooms during the vacation. In such an event, the College will provide suitable alternative accommodation.
May ball Residence

Students should be aware that the bi-annual May ball involves some rooms needing to be emptied overnight. Students will be given ample notice and be required to stay elsewhere by their own arrangement.

Graduation Residence

Students should note that General Admissions falls outside the room licence period and nightly charges will be applied for residence, with the night before graduation being free of charge.

Vacation Residence

The Tutorial Office puts Vacation Residence Forms onto the College website in advance of each vacation. Junior Members wishing to apply for residence, either as an extension of their room licence within the University term dates, or for vacation residence, should complete and submit the Vacation Residence Form by the deadline date indicated on the form. Applications received after the deadline may not be approved.

If you are applying for an extended period of accommodation, then your application will be referred to the Senior Tutor for approval.

Students granted permission to remain in residence during the University vacations are required to sign out of the Redit book at the end of the University term and to sign into Vacation Residence at the Porter’s Lodge. At the end of the vacation, they must then sign out of Vacation Residence and into Term, otherwise they will not be considered to be “keeping term”.

It is often not possible to accommodate students in their own room if the rooms are needed for conference guests or other visitors. During the Christmas vacation, all residents on the main site will need to move for a period of College closure – at this time, students must reside on the East Site (Hostel, Trumpington Street, Fitzwilliam Street, and Tennis Court Terrace) or Little St. Mary’s Hostel. When an alternative room is provided, students are requested to move rooms on the dates advised so that rooms can be prepared for the new occupants. Junior Members are not permitted to use gyp room and bathroom facilities in College or in hostels occupied by conferences. The facilities of the premises allocated for vacation residence should be used.

Clearing Rooms at the end of each Licence Period

At the end of each licence period, undergraduates are required to remove all personal belongings from their rooms. Failure to do so may result in rent continuing to be charged for the room at the fixed daily rate (£16.50). Alternatively, the College may remove items to store (at the owner’s risk) and levy a storage charge. Undergraduates must also clear their gyp rooms (cupboards and fridges) and bathrooms; any items left behind will be disposed.

Storage

There are very limited facilities within the College for storing personal possessions (non-perishable items only) during vacations and these are largely reserved for international students. Students should aim to keep their College storage requirements to a minimum to allow the College to offer some level of storage to as many students as possible. Students with a large storage requirement should arrange storage facilities via one of the commercial storage companies operating in Cambridge. College storage can be booked via the Accommodation and Housekeeping Manager at the end of each term. Junior Members’ luggage stores are in the basements of Fen Court and Little St Mary’s Hostel basement, which
has individual cages. Fen Court (apart from rooms 5 and 13), William Stone Building, and Little St. Mary’s Hostel have lockable furniture to allow for a limited number of non-perishable items to be left during vacations. Students in these rooms should remember that the rooms may be occupied during vacation and any items are left in storage at their own risk.

Students leaving any items in the luggage stores or in their own room do so at their own risk; the College will not accept responsibility for damage, accident or loss.

No storage is allowed for Junior Members after completion of their studies.

**Notice to Vacate Accommodation**

Undergraduates wishing to give up their College accommodation, other than at the end of an academic year, are required to give three months’ notice in writing.
Section 5: College Catering

Section 6: Catering Charges – Undergraduates

Due to the Coronavirus pandemic, these pages will be updated in due course.
Section 7: College Bills

College bills are issued termly for all Junior Members. Bills will include charges in advance for termly room rental, and Upay top-up (Minimum Spend Requirement). Other charges are charged in arrears such as vacation residence charges, library fines etc. If you are wholly or partly self-funded, your tuition fees will normally be included on the Lent term bills – see below.

College bills are issued in accordance with the following timetable:

<table>

Bills are emailed to students’ Cambridge email accounts as soon as possible after the end of each term and must be settled in full no later than thirty days from their date of issue. Late payment may attract an administration charge of £25 and interest at the rate of 0.25% per week.

*Junior Members cannot proceed to their degrees until all bills have been settled and therefore Finalist term bills are issued early in June to those undergraduates expected to proceed to General Admission. See further CR xxvi.

Junior Members with queries in relation to their College bills should consult the Fees and Billing Supervisor in the Accounts Office without delay at studentbills@pet.cam.ac.uk

In order to avoid interest charges, those items which are not in dispute should be paid by the due date.

Any unclaimed credit balances on College accounts will be removed 16 months after graduation and donated to the Amalgamated Clubs at Peterhouse.

Tuition Fees

Lent term College bills will also include any tuition fees payable by Junior Members who are wholly or partly self-funded. Queries should be directed to the Fees and Billing Supervisor as above.

Student Loans Company (SLC)

Home and EU students wishing to take up tuition fee and/or maintenance loans, must make an application to the relevant office [Student Finance for England, Wales and EU students, Student Awards Agency for Scotland (SAAS), Student Finance NI for Northern Ireland] for each year of their course. Each office sets its own deadlines for applications to ensure that loans are processed in time for the start of term.

All Junior Members who have applied for financial support from Student Finance, or the equivalent regional office, will be requested provide a copy of their SLC entitlement letter to the Accounts Office in September/October each year.

This form provides evidence of the amount of tuition fee and/or maintenance loans due and is required before your attendance can be confirmed to the SLC, thus releasing both the fee
and maintenance loan payments. Failure to hand in a copy of this form will result in delays in you receiving your maintenance loan, and the College receiving your tuition fees. **Please note that the College may invoice you for any tuition fees unpaid by the SLC due to non-confirmation of attendance.**

**Payment of College Bills**

Junior Members are expected to settle their College bills by direct bank transfer (quoting their CRSid and name as a reference) to the College’s Barclays Bank Account:

- **Account name:** Bursar of Peterhouse
- **Sort Code:** 20-17-68
- **Account number:** 50717673
- **IBAN:** GB15 BARC 2017 6850 7176 73
- **Swift Code:** BARCGB22

A Junior Member is required to clear the balance on their College bill at the end of each academic year. If there is still a balance outstanding at the start of the following academic year, the student will not normally be allowed into residence, nor allowed to use the College’s catering facilities. In addition to this, a Junior Member who returns to residence, but persistently withholds such payments may be required to go out of residence.

If a Junior Member leaves Peterhouse and still owes the College money, the outstanding debts may be passed to a commercial debt collection agency.

Junior Members who are experiencing financial difficulties should contact their tutor without delay.

**Students’ Bank Details**

Payments can be made direct to students’ bank accounts via the individual’s College account. This facilitates the payment of grants, reimbursement of expenses incurred on behalf of College societies and the refund of any credit balances or deposits at the end of the course. We therefore need to record the bank details for each student against their College account. If you have not previously provided your bank details to the Accounts Office, please return the bank details form that you will receive at the start of the academic year. A paper copy can be left at the Porters’ Lodge in a sealed envelope marked ‘Confidential’ and addressed to the Accounts Office. **Please note that we cannot accept the form without your signature.**
Section 8: Housekeeping

The Accommodation and Housekeeping Manager, reporting to the Senior Bursar, is responsible for the oversight of all College accommodation. The cleaning of all College accommodation, including rooms and communal areas, is carried out by Domestic Assistants, Janitors, and occasionally by approved external contractors. Particular housekeeping issues should be reported via housekeeper@pet.cam.ac.uk.

Cleaning of Undergraduate Rooms

Undergraduates will be responsible for cleaning their own rooms during the current pandemic. Waste and recycling bins will be emptied regularly as needed; students are responsible for sorting waste and recycling into the relevant bin. Undergraduates can expect to have their en-suite bathrooms cleaned at least fortnightly.

This activity will normally take place in the morning and undergraduates are required to allow Domestic Assistants access to their room at the appropriate times and no less than fortnightly. Undergraduates must also keep their rooms in a reasonably tidy state such that the Domestic Assistants can do their job effectively, without the need to clear floors or other surfaces.

Undergraduate gyp rooms are cleaned three times a week, with rubbish removed and sink/work surfaces cleaned and sterilised. Undergraduates should note that they are responsible for their own washing-up. Floors are washed and fridges, microwaves and other equipment cleaned on a weekly basis. Undergraduates are expected to leave gyps in a clean and tidy condition.

Communal bath/shower-rooms and toilets are cleaned and sterilised three times a week (as above). Staircases and landings are cleaned three times a week with a focus on sanitising door handles and banisters.

Recycling

The College is committed to working with Cambridge City Council to recycle as much waste as possible in line with our environmental policy. Domestic Assistants will empty the blue recycling bins in each student room and the kitchens, regularly through the week – students should leave their bins outside their doors if they want them emptying during the scheduled visits. Students can also empty their own bins should they need – bins are found outside St. Peter’s Terrace, William Stone Building, behind the kitchens, and behind the Hostel. There are also wheelie bins in the gardens of the houses on Fitzwilliam Street.

Ink cartridges can be recycled at the College Secretary’s Office, battery bins are provided in the JCR and MCR, old electrical items can be recycled by depositing in the bin in the Theatre basement down the ramp behind Fen Court. Food waste can be collected and deposited in green bins found in graduate back gardens or along the back of Fitzwilliam Street and Trumpington Street.
Section 9: Maintenance

The Clerk of Works, reporting to the Senior Bursar, is responsible for the maintenance and repair of all College accommodation, deploying as appropriate members of his internal maintenance team or approved external contractors.

In the event of an emergency, such as a burst water-pipe or gas leak, Junior Members should contact the Porter’s Lodge without delay. All other requests for repairs or assistance should be made via fixit@pet.cam.ac.uk. The maintenance administrator will issue an acknowledgement and agree a mutually convenient time for the works to be carried out.

Response Times

Target response times for repairs are as follows:

- Emergency during working hours: immediately
  out-of-hours: within two hours
- Urgent same day
- Non-urgent within 28 days

If these response times cannot be met, the student making the request will be notified.

In the event of icy conditions or heavy snow-fall, remedial clearance activities will take top priority.

Planned Maintenance

All planned maintenance works and servicing of equipment will be undertaken in such a way as to minimise inconvenience to residents. Under normal circumstances, the maintenance department will aim to give a minimum of 24 hours’ notice to all occupants of a house or staircase and will avoid scheduling work during examination periods.

The College grounds are cleared of litter on a weekly basis during full term. Students should ensure that their litter, and that of their guests, is disposed of correctly.

All gas appliances are serviced annually by a GAS SAFE registered engineer.
Section 10: Heating

Central heating is normally supplied to all College rooms from early in the Michaelmas term to the end of the Lent term. If conditions are very cold before or after these dates, the heating will be adjusted accordingly. Heating systems are timed to come on daily from 6am to noon and from 2pm to midnight. Occupants are encouraged to help save energy and costs by keeping windows closed in cold weather and by using thermostatic radiator valves where these are fitted.

For those requiring additional heating, electric convector heaters can be booked out from the Porter’s Lodge or Maintenance Department. Junior Members should note that such heaters are expensive to run and are an inefficient way to heat a room and wherever possible, the main central heating should be used in preference to electric heaters. Heaters should not be left on in empty rooms and should be returned at the end of each term.

Only heaters supplied by the College and tested for safety are allowed in student rooms. Heaters must not be used for drying clothes etc.

Energy Efficiency

Junior Members are urged to be energy conscious, switching off lights and any electrical appliances, including computers, when leaving their rooms or overnight. Windows should be kept closed in cold weather and thermostatic radiator controls used to regulate room temperatures.
Section 11: Health and Safety

The College aims to maintain the highest standards of Health & Safety and has a variety of policies and procedures in place to minimise the risks to its members, staff and visitors. Junior Members are however, reminded that the College site consists mostly of historic, listed buildings and consequently has features which can be hazardous if not approached with due care and attention. Stone courts are uneven and can be slippery when wet, some staircases are steep, some ceilings and doorways (particularly those leading to the Screens Passage) are surprisingly low.

Access to certain areas of the College is prohibited to Junior Members for Health & Safety reasons. These include all roof spaces, maintenance services areas, construction sites and any other part of College property where access would clearly be a danger to the Health & Safety of themselves or others. Junior Members have a duty to report any accident, or any unusual circumstance or hazard, which might endanger the safety of themselves or others.

Accident Procedures

In the event of an accident on College premises you must inform the Porter’s Lodge immediately. Arrangements will be made for any appropriate treatment including, if necessary, transfer to hospital. In due course, an accident form should be completed, giving full details of the incident and the names of any witnesses. Accident forms are available from the Porter’s Lodge and the HR Manager’s Office in K1.

In the event of a serious accident or medical emergency, Junior Members should dial 999 to summon an ambulance and then immediately inform the Porter’s Lodge that a 999 call has been made by telephoning (01223) 338200. There is a porter on duty at all times; day and night.

First Aid Provision

A number of First Aid boxes are situated throughout the College and Junior Members should ensure that they are aware of the location of their nearest box. These boxes are for use only in emergencies. A list of qualified First Aiders and their contact details is attached to each box and also held by the porters. All Porters are qualified First Aiders.

For general procedures in the event of illness, see further CR xxiii.

COVID-19

All students are expected to be aware of and comply with the College's COVID-19 guidance, which can be found on the Health and Welfare website. Further information is available on the University website.
Section 12: Fire Safety

Prevention of Fire

It is the duty of all College members, staff and visitors to prevent fire. While the College has a number of policies and procedures in place to minimise the risks, individuals must also be aware of the potential dangers. In particular:

- Cooking in Junior Members’ rooms is absolutely forbidden. Electrical cooking equipment is banned from rooms. The only acceptable refrigeration equipment are college-supplied fridges that have been booked out as per the procedure described on P8.
- The use of frying-pans and woks in gyps or kitchens is permitted, but should be done in a way conscious of fire safety avoiding overheating oil or leaving anything unattended at any point.
- The use of any mains-powered electrical equipment in College accommodation is permitted only if the Clerk of Works is satisfied that it will not overload the electrical system or otherwise constitute a safety hazard. Junior Members intending to bring up unusual items with heavy current consumption are strongly advised to consult the Maintenance Department in advance.
- All electrical appliances brought into College accommodation by Junior Members must be tested for safety by a registered electrical contractor, with a PAT certificate issued and the item labelled as being safe for use. Junior Members may arrange for this to be carried out in advance of coming into residence. Alternatively, the Maintenance Department will arrange to test all such equipment and issue the appropriate certification in the first half of the Michaelmas term free of charge. Junior Members must notify the Clerk of Works, before the first weekend in the Michaelmas term, if they have any electrical items, which will need to be tested. After this time, any faulty, suspect or new items must be taken to the Maintenance Department where they will be inspected for a charge of £2.50.
- Rooms may be inspected periodically and any electrical equipment belonging to Junior Members, which is found to be untested or otherwise considered unsafe will be removed. The use of block (rather than strip) multi-plugs is strictly forbidden.
- Junior Members must not interfere with the wiring, electrical fittings, heating system or any other College-owned equipment installed in their accommodation. Junior Members should notify the Maintenance Department of any faulty electrical fixtures or equipment without delay via fixit@pet.cam.ac.uk.
- The use of candles, incense sticks, aromatic oil burners and any other device with a naked flame is not permitted in Junior Members’ rooms.

Fire Drills & Fire Wardens

The Clerk of Works is responsible for arranging fire evacuation drills for each staircase and house. A compulsory briefing for freshers on fire safety will take place on the first Monday in residence. Certain Junior Member rooms are designated as Fire Warden Rooms and notified on the ballot; students in these rooms are given additional training and expected to knock on doors in the event of an evacuation. Fire Wardens receive a meal voucher for their contribution to the College. If Junior Members have any questions about fire safety, they should raise them with the Head Porter and/or their Fire Warden.

Detection and Alarm
All Peterhouse accommodation is equipped with an automated fire detection and alarm system, linked to the Porter’s Lodge. Buildings must always be evacuated promptly when the fire alarm sounds, unless it is part of a test procedure, and not re-entered until the ‘all clear’ has been given. Fire alarms are tested on a weekly cycle at pre-arranged times; notices are posted advising of test schedules.

First aid fire appliances (extinguishers, fire blankets etc.) are strategically located throughout College properties. Any interference with the fire detection and alarm systems or fire appliances, including temporarily disabling a smoke detector or discharging a fire extinguisher inappropriately, is deemed to be a very serious breach of College Regulations.

In the event of fire, it is the responsibility of the occupier to set off the fire alarm at the nearest break-glass point, alert the Fire Service immediately (dial 999 and ask for “fire”) and then notify the duty porter in the Porter’s Lodge by telephoning (01223) 338200.

**Escape**

Instructions on fire procedures are posted throughout College accommodation and Junior Members are expected to make themselves familiar with the fire drills, escape routes and assembly points applicable to their accommodation.

To enable safe evacuation in the event of fire, it is extremely important that escape routes (corridors, landings, stairs and hallways) and fire exit doors should not be obstructed in any way. Fire doors must be kept closed at all times and should not under any circumstances be propped or wedged open.

**Smoking Policy**

The College recognises that smoking can damage the health of both smokers and non-smokers and can constitute a fire hazard. Members of College, staff and visitors are not allowed to smoke inside College buildings, including off-site hostels, or in any of the courts. Smoking is permitted only at designated smoking areas – behind the kitchens and not outside Fen Court. Students are required to advise their guests of this College policy, and to ensure that it is followed.
Section 13: Security

Lost Keys

Junior Members should collect the key to their accommodation from the Porter’s Lodge and must return it to the Porter’s Lodge upon their departure (see sections 2 and 4 above). A charge of £25 will be levied to replace any key, which is lost or not returned. In the case of hostels, the room key will also open the front door of the hostel.

Security Briefing

A compulsory briefing on security will be held for freshers on their first Monday in residence. Junior Members are advised to keep their rooms locked whenever they leave them unoccupied, with any accessible windows closed. It is particularly important that those Junior Members living in College houses ensure that the main door to the building is kept firmly secured at all times.

College housekeeping and maintenance staff and approved contractors will carry identification. If Junior Members are unsure as to the identity of anyone arriving to undertake works, they should check their details with the Porter’s Lodge before allowing them to enter.

University Multipurpose Security Card

Junior Members will also be issued with a personal University Multipurpose Security Card, which controls access to a number of areas within the College, including the library, computer room, main laundry, garden gate and back gate. Junior Members are reminded to take particular care of their cards and report any loss to the duty porter without delay.

Defective, broken or worn-out cards are replaced free of charge by the University Card Office. In the event that cards are stolen or lost, the University Card Office levies a £10 administration charge for their replacement. Further information can be found via the ‘computing’ link from the Current Students section of the College website.
Section 14: Other Matters

Post
Each Junior Member, whether resident in College accommodation or living out, will be allocated an individually-labelled pigeon-hole. Undergraduate pigeon-holes are located in the Porter’s Lodge. See further CR xxv.

Gym
The David Ross gym is available for the use of all Junior Members, fellows, staff and conference guests who have completed an induction session and signed the relevant gym usage form. The gym is closed for cleaning between 11-12 on Wednesdays.

The key to the gym should be signed out from the Porter’s Lodge and will only be issued to individuals who are listed as having completed the relevant induction session. The gym has a CCTV system installed for security and safety purposes, and there is a direct phone link to the Porter’s Lodge for use in case of emergency.

The College’s health and safety policy should be followed at all times when exercising. Gym-users should, whenever possible, try and ensure there are a minimum of two people in the gym whenever it is in use.

Between the hours of 7.30am and 8.30pm during full term and between the hours of 7.30am and 5pm out of full term, single users are, at their own risk, permitted in the gym. During these hours the Porter’s Lodge will be manned and, when available to do so, porters will seek to provide some limited monitoring of the gym over the CCTV system. They will also usually be able to answer the emergency phone link from the gym during these hours.

Outside of these hours the Porter’s Lodge is not continuously manned. It is therefore not usually possible for the porters to monitor the CCTV system, and so single users are not permitted in the gym.

Induction sessions should be booked online at: http://www.supersaas.com/schedule/S&Csessions/Peterhouse_Gym

Bicycles
All bicycles must be marked using a tag bearing the College’s name and an individual number. This is not only to satisfy University regulations, but also to maximise the chance of a bicycle’s return should it be stolen. Arrangements for tagging are managed by the Head Porter, who is instructed to see that this regulation is enforced. Unmarked bicycles may be removed without warning.

Bicycles may not be left anywhere on College property except in the bicycle racks or sheds provided. In particular, bicycles must not be chained to railings or brought into the common parts or rooms of College accommodation. Bicycles left in unauthorised locations may be removed without warning.

Bicycles should be locked securely whenever they are left unattended.

Car Parking
See CR xxii.
Visitors

Occupancy of College accommodation is granted only to the Junior Member in question and rooms may not be assigned, sub-let or shared.

Occasional guests may stay overnight in College accommodation. Junior Members must record the name of their guest, their location and the duration of their stay; this should be done in advance through the guest book kept in the Porter’s Lodge. For reasons of fire safety, it is essential that the College is aware of all such visitors.

Such occasional guests are only permitted to stay in College accommodation for a maximum of three nights in any fortnight. Permission for a longer stay will only be granted in exceptional circumstances and must be sought in advance from the Senior Tutor.

When inviting guests to stay in your room, you should be considerate towards the other occupants of the property as additional people will increase the demands made on the communal areas, especially the bathrooms.

If you would like to hire a mattress for a guest from the College, please contact the Housekeeping Department (via housekeeper@pet.cam.ac.uk) in advance so delivery and collection can be arranged. There is a charge for this service of £9 for a maximum of 3 nights.

College Guest Rooms

The College has three single guest rooms, which may be booked by Junior Members for use by their guests: Old Court C7, Gisborne Court M1, and Fen Court 11. A maximum of two rooms may be booked, for a maximum of three consecutive nights.

Guest rooms are booked through the Conference Manager at: conference@pet.cam.ac.uk.

Rooms are available for occupation from 12 noon and keys should be collected from the Porter’s Lodge. Guests are asked to vacate their rooms by 9.30 am on the morning of departure and to hand the keys back to the Porter’s Lodge before 9.45 am. Failure to comply with this requirement may result in the cost of a further night’s occupation being added to the final invoice. Guests staying for breakfast in College may temporarily store their luggage in the luggage room – contact the porters for access.

The College will be responsible for general cleaning and will supply necessary linen and towels, but a charge may be levied for any cleaning or use of linen and/or towels considered to be in excess of normal use. A charge may also be levied in respect of any damage caused to College property.

The guest room rate for Junior Members is currently £20.70 + VAT per night (£24.84), with charges added to their termly College bill.

Junior Members will be held responsible for their guests during their stay. See further CR xiv.

Good Neighbour Policy

Junior Members are expected to be mindful of the proximity of their neighbours, both within College accommodation and in the wider community. Junior Members should note that College regulations apply to off-site properties as if they formed part of the main College site. See further CR xv, xix.

Animals may not be brought into or kept in College accommodation.
Access to Rooms

The College will require periodic access to Junior Member accommodation for cleaning, maintenance, inspection and other reasonable management purposes. Prior notice will be given wherever possible, but the College reserves the right to enter any room without giving notice in the event that immediate access is considered necessary to avert (or minimise) damage to College property or physical injury. In such cases, the occupant of any room entered will be contacted as soon as possible after the event to inform them that entry has been gained and to provide details of any work undertaken.

Queries and Complaints

Any queries or complaints relating to College accommodation should be addressed in the first instance to the Accommodation Officer, Assistant Housekeeper or Clerk of Works, as appropriate. Any issues which have not been satisfactorily addressed, may then be referred to the Accommodation and Housekeeping Manager or the Senior Bursar, who will investigate and seek to resolve matters. Should this resolution not be considered acceptable, Junior Members should consult their tutors in the normal way.

A directory of College officers and staff can be found via the ‘contact details’ link from the Welcome section of the College website. The main contacts for accommodation issues are shown at the front of this handbook.
Section 15: Contractual Relationship between Students and Peterhouse

All Junior Members in College accommodation will be issued with a room licence covering their occupancy as licensee of College accommodation. This should be reviewed carefully, signed and returned to the Accommodation Office as soon as possible.

Details of the terms and conditions, which apply to Junior Member accommodation and which will govern any occupancy are to be found in this student handbook. In accepting the offer of accommodation and signing the room licence, Junior Members agree to observe these terms and conditions. Junior Members will be deemed, in the absence of other arrangements, to have entered into the room licence once they have signed for the key to their room.

The College reserves the right to terminate the licence of occupation of any Junior Member in the event of serious and/or repeated breaches of the terms and conditions of Junior Member accommodation, College regulations, or key College policies such as Health and Safety. In such an event, the College will serve written notice of early termination to the Junior Member in question, stating the reason for such termination, and will charge the Junior Member on a pro-rata basis for the days in occupation.
Appendix A: Terms and Conditions of Occupation of College Accommodation

The Licence:

- These terms and conditions apply to the occupation of rooms by Junior Members of the College. The College reserves the right to use the premises at all times outside the licence period, when the licensee is not in residence, and to retain any sums arising in consequence of such use
