

USE OF CHAPEL POLICY

The Governing Body entrusts the day to day running of the College Chapel to the Dean. The Dean is responsible to the Governing Body, among other things, for inviting visiting speakers. No one may be invited to speak in the Chapel without the prior permission of the Dean. The Dean is a member of the Governing Body and responsible directly to the Governing Body for the implementation of this policy, and for the College's compliance with its duties, as set out in the Counter-Terrorism and Security Act 2015 and the PREVENT duty guidance issued by the government, in so far as it concerns the College Chapel. Misuse of the Chapel would be addressed through the Colleges disciplinary procedure.
